Jeep

A close-up photograph of a person's hand holding a small white label with the text "Right Front" in black. The hand is positioned next to a wheel hub assembly, which is partially visible through a cutout in a black plastic wheel cover. The wheel cover has a "deer" logo on it. Several silver-colored lug nuts are visible on the right side of the wheel cover. The background shows a portion of a tire with a black tread pattern.

Right Front

Right Rear

This image shows a close-up of a vehicle's right rear wheel hub area. A black plastic wheel well liner is visible, with a small, clear plastic cap covering a hole. A white label with the text "Right Rear" is placed on a metal surface within the wheel well. Several hexagonal bolts are visible on the right side of the wheel well, and a circular cap with the word "TRAC" is partially visible at the bottom right.

A close-up photograph of a person's hand holding a small white rectangular label with the text "Right Rear" in bold black font. The hand is positioned in the lower-left corner of the frame. The background is a car's wheel hub and brake assembly. A black plastic wheel cover with a multi-spoke design is visible. The brake caliper and rotor are partially visible through the spokes. Several silver-colored lug nuts are secured on the wheel. On the left side of the wheel cover, the words "COLD" and "WHEELS" are embossed in a circular pattern. On the right side, the word "de" is partially visible, likely part of a brand name like "DeLorean".
