TE402

A close-up photograph of a metal tool, possibly a pry bar or a similar mechanical component. The tool has a U-shaped handle and a flat, rectangular head. The head is engraved with the text "TF017". The tool is resting on a dark, textured surface, possibly a piece of fabric or a mat. In the background, there is a pile of light-colored, fluffy material, possibly wool or cotton. A yellow object is visible in the upper right corner. A person's finger is visible in the bottom left corner, holding the tool.

CONTACT:

"I hereby authorize the repair work hereinafter set forth to be done along with the necessary material and agree that you are not responsible for loss or damage to vehicle or articles left in vehicle in case of fire, theft or any other cause beyond your control or for any delays caused by unavailability of parts or delays in parts shipments by the supplier or transporter. I hereby grant you and/or your employees permission to operate the vehicle herein described on streets, highways or elsewhere for the purpose of testing and/or inspection. An express mechanic's lien is hereby acknowledged on above vehicle to secure the amount of repairs thereto"

In the event that you, the customer, authorize commencement but do not authorize completion of a repair or service, a charge will be imposed for disassembly, or partially completed work. Such charge will be directly related to the actual amount of labor or parts involved in the inspection, repair or service.
