RE: NEF-104car, EA19-001

Dear Dr. Ridella:

Mitsubishi Motors North America, Inc. (MMNA) hereby submits this letter in response to your Engineering Analysis EA19-001, dated July 16, 2019. These responses were prepared through consultation with Mitsubishi Motors Corporation (MMC).

MMNA's records indicate that the Model and Model Year containing the DS84 ASIC is slightly different from those listed on EA19-001's Attachment One. The following responses are applicable to the vehicles that, according to MMNA's records, contain the DS84 ASIC (Excel worksheet entitled "PRODUCTION DATA").

The following responses and included documents are confidential commercial business information. In accordance with 49 CFR Part 512, MMNA is submitting this confidential information, together with a request for confidential treatment, to the Office of Chief Counsel.

In the event you have any questions or need any additional information, please contact Kurt Kurata at kurt.kurata@na.mitsubishi-motors.com at your earliest opportunity.

Sincerely,

Mark Chaffin
COO
Mitsubishi Motors North America, Inc.
