Dear Mr. Neff:

Volkswagen Group of America, Inc. ("VWGoA") is submitting the enclosed vehicle production information in response to your December 18, 2019 request for Year/Make/Model information, related to the use of Takata Non-Azide Driver air bag Inflators (NADI) in Volkswagen and Audi vehicles in the U.S.

VWGoA reiterates that there are no Volkswagen vehicles affected, as it did not use Takata NADI inflators in vehicles produced for sale and/or lease in the U.S. market.

The enclosed table provides the Year/Make/Model of potentially affected 1997 MY – 2000 MY Audi vehicles. Additionally, an enclosed table provides our best estimate as to how many vehicles may be in operation, per records currently available.

Please let me know if I can provide you with any additional information regarding this request.
