Re: NEF-107CL; EQ19-002

Dear Mr. Neff:

On behalf of Toyota Motor Corporation, this responds to your December 18, 2019 Information Request (IR) regarding EQ19-002 in which you seek information about Toyota's use of Takata Non-Azide Driver airbag inflators in Toyota vehicles sold, offered for sale, delivered, or imported into the United States.

The make, model, model year, and estimated population of Toyota vehicles with the potentially involved NADI inflators is contained in the attached table titled "Toyota's use of the Affected Products".

Should you have any questions about this response, please contact me directly.

Sincerely,

[redacted]
