CERTIFICATE IN SUPPORT OF REQUEST FOR CONFIDENTIALITY

I, Ronald A. Wasinger, pursuant to the provisions of 49 CFR part 512, state as follows:

- (1) I am the General Counsel at LG Electronics U.S.A. Inc. ("LGEUS"), and I am authorized by LGEUS to execute this certificate on its behalf.
- (2) I certify that the information marked confidential and contained in LGEUS's November 2021 submission in response to the Information Request in PE20-016 from the Office of Defects Investigation, National Highway Traffic Safety Administration, is confidential and proprietary data and is being submitted with the claim that it is entitled to confidential treatment under 5 U.S.C. 552(b)(4);
- (3) I hereby request that the information contained in the aforementioned documents be protected on an ongoing basis;
- (4) This certification is based on the information provided by the responsible LGEUS personnel who have authority in the normal course of business to release the information for which a claim of confidentiality has been made to ascertain whether such information has ever been released outside LGEUS;
- (5) Based upon that information, to the best of my knowledge, information and belief, the information for which LGEUS has claimed confidential treatment has never been released or become available outside LGEUS, except that the information has been made available as necessary for the purpose of obtaining advice and assistance from counsel and other confidential advisors or in the course of confidential business relationships, such as affiliated company and customer relationships;
- (6) I make no representations beyond those contained in this certificate and, in particular, I make no representations as to whether this information may become available outside LGEUS because of unauthorized or inadvertent disclosure (except as stated in paragraph 5); and
- (7) I certify under penalty of perjury that the foregoing is true and correct.

Executed on this 19th day of November, 2021.

Ronald A. Wasinger
 Vice President & General Counsel
