Ms. Stoffels,

As we spoke about last week, there was a mistake in the Information Request letter sent to you related to RQ20-001. The response date was not correct and new response date of 11/20/2020 is granted. I apologize for the confusion.

Thank You,
Bruce York

Hi Bruce~

Per our discussion earlier this week regarding RQ20-001, I understand we will have more time to respond. I would like to request a due date of 20 November 2020.

Also, you recommended that we review/discuss the RQ with the investigator, so I will propose some times to Robert for next week to meet with Gordon and myself.

Please let me know if this request can be granted.

Regards,
Larissa
