

Condition	System/Component Behavior	True or False?	Results	Safety Defect?	Additional Notes
Parking brake release, and service brake apply	Transmission disengages	TRUE	Truck stops	No	
Parking brake release, and service brake apply	Transmission engages	FALSE	Truck stops	No	
Parking brake release, and service brake apply	Cutch control actuator (CCA) disengages	TRUE	Truck stops	No	
Parking brake release, and service brake apply	Clutch control actuator (CCA) engages	FALSE	Truck stops	No	
Parking brake release, and service brake apply	Clutch disengages	TRUE	Truck stops	No	
Parking brake release, and service brake apply	Clutch engages	FALSE	Truck stops	No	
Parking brake release, and service brake apply	Cruise control disables	TRUE	Truck stops	No	
Parking brake release, and service brake apply	Cruise control enables	FALSE	Truck stops	No
