Climate control panel featuring three large rotary dials and several buttons. The left dial is labeled "A/C" and has a blue-to-red temperature scale. The middle dial features a car icon and a fan symbol. The right dial also has a blue-to-red temperature scale. To the left of the dials are three buttons with icons of people and arrows. Below the middle dial is a rotary knob labeled "REAR" and "REAR CONTROLS". To the right of the right dial are two buttons labeled "FRONT" and "REAR" with fan icons. A small "X" icon is visible at the top right of the panel.

Utility buttons at the bottom of the panel, including:

-  **econ**
- 
- 115V POWER**
-  **OFF**
