Please find it and retweet!!!! Help make others be safe.

@chevrolet (2/3) insurance before GM/ Chevy. Note, insurance claim is NOT closed. I called 800-222-1020 and call drops after phone tree. Don't know where else to turn. Car is at the NoVA Allia salvage. Are you going to investigate what caused this issue?

go to my parked 18 month 2019 Bolt .Smoke started @ rear of car while parked and off.Smoke also came out of rear seat area where battery is. Car is still under warranty. Spoke w/your PAC team but they said they couldn't help b/c I called
