Mr. Gregory E. Magno, Chief  
Vehicle Defects Division D  
Office of Defects Investigation  
National Highway Traffic Safety Administration  
1200 New Jersey Avenue, SE  
Washington, DC 20590

Re: NEF-104; PE21-020

Dear Mr. Magno

On behalf of Toyota Motor Corporation, enclosed is a partial response to your September 13, 2021 peer Information Request (IR) regarding PE21-020, a defect investigation concerning Tesla vehicles.

Please be advised that some of the responses and several of the attachments provided with this response contain confidential and proprietary business information. Therefore, Toyota is submitting a request to NHTSA's Office of Chief Counsel for a determination that those materials are entitled to confidential treatment pursuant to 49 CFR Part 512 and Exemption 4 of the Freedom of Information Act, 5 U.S.C. § 552(b)(4).

As discussed with you on November 9, 2021, Toyota requested extensions for certain requests in accordance with the schedule that was discussed during that meeting. Thank you for granting this extension. Toyota intends to provide further responses to this request with the available information in accordance with that schedule.

Should you have any questions about this response, please contact me directly.

Sincerely,

  
Cory Hoffman  
General Manager  
Toyota Motor North America, Inc.
