Hi , my name is Sergio Betancourt and I sent you guys a recall petition letter about three weeks ago . I just chatted with one of the NHTSa agents who confirmed that you guys received it and it's been uploaded to the website . I wanted to know what I could be expecting to happen next ? Did you guys need anymore information from me ? She mentioned I can now request additional information from you guys but didn't say what kind . Also, in the copy of the service invoice you guys uploaded , you guys left my name and phone number visible . This is my tracking number 11450360

Thanks
