RQ22-003

Dear Mr. Park,

This letter is to inform you that the Office of Defects Investigation (ODI) of the National Highway Traffic Safety Administration (NHTSA) has opened a Recall Query (RQ22-003) to investigate and request certain information about allegations of the front driver and/or passenger-side pyrotechnic-type seat belt pretensioners that may abnormally deploy and rupture, releasing shrapnel during a crash in certain model year (MY) 2021-2022 Kia North America (Kia) vehicles.

This office has received (3) three separate reports wherein the driver-side seat belt pretensioner deployed abnormally in certain MY 2020 Hyundai Accent and MY 2021 Hyundai Elantra vehicles. The reported incidents described being involved in a vehicle crash event, subsequently deploying the front driver's seatbelt pretensioner in an abnormal way causing several injuries to the back-seat occupants by the pre-tensioner assembly's shrapnel. ODI understands that Hyundai Motor America and Kia used the same seatbelt pretensioner design and supplier in certain vehicles.

Unless otherwise stated in the text, the following definitions apply to these information requests:

- **Subject vehicles:** All MY 2021-2022 Kia Sorento Hybrid vehicles; and all MY 2022 Kia Sorento PHEV vehicles, manufactured by Kia North America (Kia for sale or lease in the United States, including, but not limited to, the District of Columbia, and current U.S. territories and possessions).

Recall vehicles: All vehicles associated with the NHTSA recall nos. 22V-127, and 22V-447 manufactured for sale or lease in the United States, including, but not limited to, the District of Columbia, and current U.S. territories and possessions

- **Subject component:** Front seat belts and it's pyrotechnic-type seat belt pretensioners.

For purposes of this request, any document which contains any note, comment, addition, deletion, insertion, annotation, or otherwise comprises a non-identical copy of another document shall be treated as a separate document subject to production. In order for my staff to evaluate the alleged defect, certain information is required. Pursuant to 49 U.S.C. § 30166, please provide numbered responses to the following information requests. Insofar as Kia has previously provided a document to ODI, Kia may produce it again or identify the document, the document submission to ODI in which it was included and the precise location in that submission where the document is located.
