**21. DEFAULT, REPOSSESSION AND OTHER REMEDIES**

If any of the following occurs, you will be in default under this Lease: • You do not pay any payment on its scheduled due date under this Lease; • You do not pay any other amount due under this Lease when we ask that you pay it; • You provide any false or misleading information in any Lease application; • You fail to maintain required insurance; • You lose possession of the Vehicle by confiscation, forfeiture or other involuntary transfer whether or not the Vehicle is the subject of judicial or administrative proceedings; • You assign the Lease or transfer the Vehicle without our prior written permission, or attempt to do either; • You start a bankruptcy, receivership, or insolvency proceeding or one is started against you or your property; • You do anything that endangers the Vehicle or your ability to pay your Lease obligations; • You fail to return the Vehicle when required to do so under this Lease; • You fail to meet any other obligation under this Lease; • You do anything the law says is a default.

If you are in default, after waiting any time the law requires, we may do any of the following: • End this Lease and require you to pay the amount due at early termination; • Take any action we believe is required to protect our interest in the Vehicle (for example buying insurance) and our action will not cure your default; • Add any amounts we spend taking these actions to your Lease obligation and charge rent on the amount added, or at our option, ask you to pay these amounts right away; • If the Vehicle has an electronic locating device, use it to find the Vehicle; • Cancel any optional products and services included with this Lease and apply any refund to your Lease obligations (you hereby instruct any provider of such products and services to pay us any refund or credit due on early cancellation); • Take (repossess) the Vehicle wherever we find it and enter any property where the Vehicle may be to do so; • Sue you for damages or to get the Vehicle back; • Pursue any other remedy the law gives us.

We will exercise our rights without breach of the peace, at reasonable times and places, in a reasonable way, as the law allows. We may use the license plates on the Vehicle to move it to a storage place. After repossessing the Vehicle, we will hold it free of any rights you may have under this Lease, subject to any right the law gives you to cure the default or recover the Vehicle. We may take and store any personal items that are in the Vehicle. If you do not ask for these items back, we may dispose of them as the law allows. Unless you tell us within five business days of any personal property you claim was in the Vehicle when it was repossessed, we will not be responsible for that property. You will pay our reasonable expenses of taking these actions as the law allows. These expenses may include expenses of taking and storing the Vehicle, attorney's fees, collection costs, and court costs.

**22. EARLY TERMINATION LIABILITY**

**When the Lease Can End Early.** You may terminate (end) the Lease early by returning the Vehicle to us and paying us your early termination liability (see below) when we ask for it.

We may end the Lease early if you are in default; the Vehicle is damaged or destroyed beyond repair, stolen or lost (a "Total Loss"); or you die and there is no surviving lessee. If we end the Lease, you must return the Vehicle to the place we designate and pay us the early termination liability (see below) when we ask for it.

**Early Termination Liability.** We will figure your early termination liability as follows:

**Monthly Payment Lease.** You will owe the amount, if any, by which the Adjusted Lease Balance (see definition) exceeds the Vehicle's Fair Market Wholesale Value (see definition) at termination. If this amount is more than the total of the following amounts, you will instead pay the total of the following amounts: • The total of your base scheduled payments not yet due; • An excess wear charge (see Item 23(c)); and • An excess mileage charge for any miles in excess of the permitted mileage during the scheduled Lease term at the rate per mile shown in Item 8.

**Single Payment Lease.** The Base Scheduled Payment (Item 7I) paid at lease signing prepays the depreciation and any amortized amounts (Item 7E) and the rent charge (Item 7F). If the Vehicle's Fair Market Wholesale Value at termination (see definition) exceeds the Adjusted Lease Balance (see definition), we will give you a credit for the excess up to the amount of the Unused Base Scheduled Payment (see definition). If the Adjusted Lease Balance exceeds the Vehicle's Fair Market Wholesale Value at termination, you will owe the excess up to the total of the following amounts: • An excess wear charge (see Item 23(c)); and • An excess mileage charge for any miles in excess of the permitted mileage during the scheduled Lease term at the rate per mile shown in Item 8.

In addition to the amounts described above, you will also owe us the Item 4A Disposition Fee unless this fee is waived under Item 23(t) plus the Additional Amounts Due and we will apply the Additional Credits to the amount you owe (see Item 23(s)).

**Definition of Adjusted Lease Balance:**

**Monthly Payment Lease.** The Adjusted Lease Balance equals the difference between: (1) The Item 7C Adjusted Capitalized Cost; and (2) all depreciation and amortized amounts in the base scheduled payments that have become due. Each Item 7I Base Scheduled Payment consists of: • a rent charge portion; and • a portion allocable to depreciation and any amortized amounts. Although the amount of your Item 7I Base Scheduled Payment does not change, different portions of each Base Scheduled Payment are allocated to: • rent charge; and • depreciation and any amortized amounts. The portion of a Base Scheduled Payment that is allocated to depreciation and any amortized amounts is equal to the Base Scheduled Payment minus the rent charge for that month. We use the Constant Yield Method to figure the rent charge portion of each Base Scheduled Payment. Under the "Constant Yield Method," the rent charge for each scheduled period is earned in advance by multiplying the constant rate implicit in this Lease times the Balance Subject to Rent Charge as it declines during the Lease term. At any given time during the Lease term, the "Balance Subject to Rent Charge" is the difference between the Item 7C Adjusted Capitalized Cost and the sum of: (i) all depreciation and amortized amounts accrued during the previous periods, and (ii) any Base Scheduled Payment paid at Lease signing or delivery. The scheduled rent charge calculations are based on the assumption that we will receive your scheduled payments on their exact due dates and that the Lease goes to its full term.

**Single Payment Lease.** The Adjusted Lease Balance at the beginning of the Lease equals: (i) The Item 7C Adjusted Capitalized Cost; minus (ii) the Item 7I Base Scheduled Payment. At the beginning of each month, the Adjusted Lease Balance increases by the rent charge for that month. We use the Constant Yield Method to figure the rent charge for each month. Under the "Constant Yield Method" the rent charge for each monthly period is earned in advance by multiplying the constant rate implicit in this Lease times the Balance Subject to Rent Charge as it increases during the Lease term. At any given time during the Lease term, the "Balance Subject to Rent Charge" equals: (i) the Item 7C Adjusted Capitalized Cost; minus (ii) the Item 7I Base Scheduled Payment; plus (iii) all rent charges accrued during previous periods. The rent charge calculations are based on the assumption that the Lease goes to its full term.

**Definition of Fair Market Wholesale Value:** Unless you exercise your independent appraisal right (see below), the Fair Market Wholesale Value of the Vehicle is: • the price we receive for the Vehicle at disposition; • the highest offer we receive for disposition of the Vehicle; • the amount you and we agree in writing; • or the wholesale fair market value of the Vehicle.

**Definition of Unused Base Scheduled Payment (Single Payment Lease):** The Unused Base Scheduled Payment equals: (i) the Item 7I Base Scheduled Payment; divided by (ii) the number of months in the Lease Term (Item 19B); times (iii) the number of full months remaining after the date of the early termination until the Scheduled Lease End (Item 19A).

**Your Independent Appraisal Right:** To the extent your early termination liability takes into account the value of the Vehicle at termination, you may get a professional appraisal of the Vehicle's fair market wholesale value. If you do so within a reasonable time, we will use the appraised value as the Fair Market Wholesale Value. The appraiser must be an independent third party. You and we must agree on the appraiser. You must pay for any appraisal. The appraisal will be binding.

**23. OTHER TERMS AND CONDITIONS**

(a) **Insurance.** For the duration of the Lease term, and until you return the Vehicle, you agree to maintain the amounts and types of primary insurance as indicated in Item 18 on page 2 of this Lease in your name. Insurance may be obtained by you from anyone reasonably acceptable to us. You must indicate us or anyone we require as an additional insured and loss payee on your policy. Your policy must state that we will be given at least 10 days' notice of any material coverage change, reduction, or cancellation. If your insurer does not pay a claim for any reason, it will mean that you have not maintained the required insurance. You will pay for any loss we incur because you do not maintain required insurance or because the insurer does not pay a claim. If you fail to obtain and maintain the required insurance, we may, if we choose, buy it for you. We may add the amount we pay for this insurance to your unpaid Lease obligations and charge rent on the amount added, or at our option, ask you to pay it right away. If we decide to buy this insurance, we may either buy insurance that covers your interest and our interest, or buy insurance that covers only our interest, unless the law requires us to buy insurance that also protects your interests. If the Vehicle is damaged, stolen, or destroyed, and money becomes available from insurance, a judgment, a settlement, or the like, we will be entitled to the money. If the Lease ends in connection with our receipt of the money, we will treat any of the money we do not use to repair the Vehicle as part of the price we received for the Vehicle at disposition.

**NOTICE: PHYSICAL DAMAGE OR LIABILITY INSURANCE COVERAGE FOR BODILY INJURY AND PROPERTY DAMAGE TO OTHERS IS NOT INCLUDED IN THIS LEASE.**

- (r) **Notice and Agreement Regarding E-Mails and Calls/Text Messages to Wireless Telephones:** You agree, in order for us to service your account or to collect any amounts you may owe, we may contact you by telephone at any telephone number associated with your account, including land-line, wireless, cellular, or VoIP/internet telephone numbers, which could result in charges to you. We may also contact you at any e-mail address you provide to us or by sending text messages, which could result in charges to you. Methods of contact may include using pre-recorded/artificial voice messages and/or use of an automatic dialing device, as applicable. Your agreement and consent also extends to any other agents, affiliates, or entities to whom we may assign, transfer, or sell your obligation for servicing or collection. You may revoke this consent for any telephone number or email address by contacting us and letting us know.
- (s) **Additional Amounts Due and Additional Credits:** Regardless of how this Lease ends, you will owe us the following amounts: • Any official fees and taxes related to the termination. • Any other amounts due under this Lease including any unpaid late charges or other amounts due because you failed to meet your obligations under this Lease. If this Lease ends early, we may cancel any optional insurance, maintenance, service, or other contracts included in this Lease or claim benefits under them to reduce what you owe or repair the Vehicle. If the sum of the amounts you owe under this Lease exceeds the sum of the credits, you will owe us the difference. If the sum of the credits exceeds the amounts you owe, we will refund the difference to you.

- (t) **Disposition Fee Waiver:** The Item 4A Disposition Fee will be waived if you purchase or lease a new General Motors vehicle when this Lease ends.
- (u) **Limited Power of Attorney.** If there is any damage or loss to the Vehicle, you agree that we or our agent may settle any insurance claim or sign your name on any title or registration or on any check or draft we receive for that Vehicle damage or loss.
- (v) **General.** If any part of this Lease is invalid, unenforceable or illegal in any jurisdiction, the part that is invalid, unenforceable or illegal will not be effective as to that jurisdiction. The rest of the Lease will be enforceable except as provided in the Arbitration Provision, below. This Lease is our entire agreement. We have made no promises to you not contained in this Lease. If any part of this Lease is found by a court or other dispute resolution body to be void or unenforceable, this Lease is to be read as if that part were never contained in this Lease.

**Lessor's Right to Cancel**

- a. Lessor agrees to deliver the vehicle to you on the date this Lease is signed by Lessor and you. You understand that it may take a few days for Lessor to verify your credit, locate financing for you on the exact terms shown on page 1 of this Lease, and assign this Lease to a financial institution. You agree that Lessor has the number of days stated on page 2 of this Lease to assign this Lease. You agree that if Lessor is unable to assign this Lease within this time period to any one of the financial institutions with whom Lessor regularly does business under an assignment acceptable to Lessor, Lessor may cancel this Lease. Lessor's right to cancel this Lease ends upon assignment of this Lease.
- b. If Lessor elects to cancel per Paragraph a. above, Lessor will give you written notice (or in any other manner in which actual notice is given to you). In that event, you may have the option of negotiating and signing a new Lease with different financing terms (for example, a larger down payment, a higher annual percentage rate, a required cosigner, etc.) or you may pay with alternate funds arranged by you.
- c. Upon receipt of the notice of cancellation, you must return the vehicle to Lessor within 48 hours in the same condition as when sold other than reasonable wear for the time you had it. Except as described below, Lessor must give you back all consideration Lessor has received from you in connection with this Lease.
- d. If you do not return the vehicle within 48 hours after receipt of the notice of cancellation, you agree that Lessor may use any lawful means to take it back (including repossession if done peacefully) and you will be liable for all expenses incurred by Lessor in taking the vehicle from you, including reasonable attorney's fees. If you fail to return the vehicle within 48 hours after receipt of the notice of cancellation, you agree to pay Lessor the charge shown in the Lessor's Right to Cancel provision on page 2 of this Lease for each day you do not return the vehicle after receipt of the notice of cancellation.
- e. While the vehicle is in your possession, all terms of this Lease, including those relating to use of the vehicle and insurance for the vehicle, are in full force and you assume all risk of loss or damage to the vehicle. You must pay all reasonable costs for repair of any damage done to the vehicle while the vehicle is in your possession. Lessor may deduct from any consideration due to you under paragraph c. above Lessor's reasonable costs to repair the vehicle and any daily charges you incur if you fail to return the vehicle within 48 hours after receipt of the notice of cancellation. If Lessor cancels this Lease, the terms of this Lessor's Right to Cancel provision (including those on page 2 of this Lease) remain in effect even after you no longer have possession of the vehicle.

**24. ARBITRATION PROVISION**

**ARBITRATION PROVISION**

PLEASE REVIEW - IMPORTANT - AFFECTS YOUR LEGAL RIGHTS

- EITHER YOU OR WE MAY CHOOSE TO HAVE ANY DISPUTE BETWEEN US DECIDED BY ARBITRATION AND NOT IN COURT OR BY JURY TRIAL.
- IF A DISPUTE IS ARBITRATED, YOU WILL GIVE UP YOUR RIGHT TO PARTICIPATE AS A CLASS REPRESENTATIVE OR CLASS MEMBER ON ANY CLASS CLAIM YOU MAY HAVE AGAINST US INCLUDING ANY RIGHT TO CLASS ARBITRATION OR ANY CONSOLIDATION OF INDIVIDUAL ARBITRATIONS.
- DISCOVERY AND RIGHTS TO APPEAL IN ARBITRATION ARE GENERALLY MORE LIMITED THAN IN A LAWSUIT, AND OTHER RIGHTS THAT YOU AND WE WOULD HAVE IN COURT MAY NOT BE AVAILABLE IN ARBITRATION.

Any claim or dispute, whether in contract, tort, statute or otherwise (including the interpretation and scope of this Arbitration Provision, and the arbitrability of the claim or dispute), between you and us or our employees, agents, successors or assigns, which arises out of or relates to your credit application, lease or condition of this Vehicle, this Lease or any resulting transaction or relationship (including any such relationship with third parties who do not sign this Lease) shall, at your or our election, be resolved by neutral, binding arbitration and not by a court action. If federal law provides that a claim or dispute is not subject to binding arbitration, this Arbitration Provision shall not apply to such claim or dispute. Any claim or dispute is to be arbitrated by a single arbitrator on an individual basis and not as a class action. You expressly waive any right you may have to arbitrate a class action. You may choose the American Arbitration Association, ([www.adr.org](http://www.adr.org)), or any other organization to conduct the arbitration subject to our approval. You may get a copy of the rules of an arbitration organization by contacting the organization or visiting its website.

Arbitrators shall be attorneys or retired judges and shall be selected pursuant to the applicable rules. The arbitrator shall apply governing substantive law and the applicable statute of limitations. The arbitration hearing shall be conducted in the federal district in which you reside unless the Lessor named on page 1 of this Lease is a party to the claim or dispute, in which case the hearing will be held in the federal district where this Lease was executed. You and we will pay the filing, administration, service, or case management fee and the arbitrator or hearing fee in accordance with the rules and procedures of the chosen arbitration organization. If the rules of the chosen arbitration organization do not specify how fees must be allocated, we will pay the filing, administration, service or case management fee and the arbitrator or hearing fee up to a maximum of \$5,000, unless the law requires us to pay more. The amount we pay may be reimbursed in whole or in part by decision of the arbitrator if the arbitrator finds that any of your claims is frivolous under applicable law. Each party shall be responsible for its own attorney, expert and other fees, unless awarded by the arbitrator under applicable law. If the chosen arbitration organization's rules conflict with this Arbitration Provision, then the provisions of this Arbitration Provision shall control.

Any arbitration under this Arbitration Provision shall be governed by the Federal Arbitration Act (9 U.S.C. § 1 et seq.) and not by any state law concerning arbitration. Any award by the arbitrator shall be in writing and will be final and binding on all parties, subject to any limited right to appeal under the Federal Arbitration Act.

You and we retain the right to seek remedies in small claims court for disputes or claims within that court's jurisdiction, unless such action is transferred, removed or appealed to a different court. Neither you nor we waive the right to arbitrate by using self-help remedies, such as repossession, or by filing an action to recover the Vehicle, to recover amounts you owe under this Lease, or for individual injunctive relief. Any court having jurisdiction may enter judgment on the arbitrator's award. This Arbitration Provision shall survive any termination, payoff or transfer of this Lease. If any part of this Arbitration Provision, other than waivers of class action rights, is deemed or found to be unenforceable for any reason, the remainder shall remain enforceable. If a waiver of class action rights is deemed or found to be unenforceable for any reason in a case in which class action allegations have been made, the remainder of this Arbitration Provision shall be unenforceable.

**25. LESSOR'S ASSIGNMENT**

Pursuant to the terms of that certain agreement between Lessor and the assignee named below ("Assignee") for the assignment of leases by Lessor to Assignee from time to time, Lessor hereby assigns all right, title and interest in the Lease and the Vehicle and rights the Lessor may have under any guaranty executed in connection with the Lease, with full powers to Assignee to collect and discharge all obligations, any guaranty and this assignment.

 The new, demonstrator or executive Vehicle is leased AS-IS and WITH ALL FAULTS. Dealer hereby expressly disclaims all warranties, either express or implied, including any implied warranties of merchantability or fitness for a particular purpose and neither assumes nor authorizes any other person to assume for it any liability in connection with the lease of the Vehicle. The only warranties applying to this Vehicle are those offered by the Manufacturer. The Manufacturer's warranty is not affected by Dealer's disclaimer of warranties. The Customer hereby acknowledges that Dealer has made available "warranty Pre-Sale Information" as disclosed in the Magnuson-Moss Warranty Act.

**USED VEHICLE DISCLOSURE**  
 This used Vehicle has been previously driven by others and Dealer has not made any representation regarding the Vehicle's history. Customer acknowledges that no representation has been made by any agent of Dealer: (i) regarding the history, condition, prior repair or maintenance, safety system or suitability of the Vehicle; or (ii) that it has or has not ever sustained damages prior to this Order, nor does Dealer have the obligation to make any such disclosure. Customer understands that s/he may retain a third-party to provide information regarding the Vehicle's history and that Dealer encourages Customer to do so. Customer may also make arrangements to have the Vehicle inspected by a person of Customer's own choosing. Customer further acknowledges that Customer has test driven this Vehicle and it meets Customer's satisfaction or Customer has been offered an opportunity to do so, and has declined. Except as otherwise set forth on the window form (Buyer's Guide), this Vehicle is leased "AS IS and WITH ALL FAULTS," without any warranty and Dealer hereby expressly disclaims all warranties, either express or implied, including any implied warranty of merchantability or fitness for a particular purpose, and neither assumes nor authorizes any person to assume for it any liability in connection with the sale of the Vehicle. The manufacturer warranty, if any, has been fully explained. If the Vehicle is designated as a certified vehicle, that indicates that it has qualified for a limited extension of the Manufacturer's original warranty as set forth on the Buyer's Guide. The certified designation does not alter or modify any of the above disclaimers and waivers, nor does it create a Dealer warranty. It also does not mean that the Vehicle, like all used vehicles, will not suffer mechanical breakdowns, nor need maintenance due to wear and tear.

## TERMS AND CONDITIONS

A. **Definitions:** As used in this Order the terms: (a) "Customer" shall mean the party(ies) acquiring the Vehicle; (b) "Vehicle" shall mean the vehicle which is the subject of this Order; (c) "Manufacturer" shall mean the manufacturer that manufactured the Vehicle; (d) "Trade-In" shall mean the automobile(s), but not a Lease Walk Away, conveyed by Customer to Dealer and described on page 2 of this Order, which is being applied towards the acquisition costs of the Vehicle; (e) "ACV" shall mean the actual cash value of the Trade-In, as determined by the National Auto Research Black Book Official Used Car Market Guide based on its condition, current as of the date of Customer's delivery of the Trade-In to Dealer, or if the Trade-In is too old to be in such guide, the average auction price at the time of this Order at the Central Florida Automobile Auctions (open only to licensed automobile dealerships) of automobiles of similar equipment, condition model and year as the Trade-In; (f) "Pre-owned Allowance &/or Discount" as identified on page 1 of this Order is the sum of the ACV plus any discount and/or credit given by Dealer towards the price of the Vehicle; (g) "Demonstrator" (as defined by Chapter 320, Florida Statutes), commonly referred to as "Demo" will be considered a new Vehicle; and (h) "executive vehicle" refers to a vehicle used exclusively by Manufacturer, its subsidiary, or a dealer for the commercial or personal use of the manufacturer's, subsidiary's, or dealer's employees and is considered a new Vehicle; and (i) "Lease Agreement" means an agreement by which the Vehicle is provided on a rental payment basis, subject to agreed upon terms and conditions. Terms in general will be interpreted based on Florida statutory definitions, if any.

B. **Vehicle:** Customer must accept and take delivery of Vehicle within 48 hours from its availability. Failure by Customer to do so shall constitute a material breach of this Order. By taking possession of Vehicle, Customer, unless otherwise confirmed in writing by Dealer, acknowledges that Vehicle has no defects, flaws or irregularities that would be detected during a visual examination and that no equipment or option is missing. Dealer shall not be liable for failing to deliver or for any delay in delivery where such failure or delay is due, in whole or in part, to any cause beyond the control or without the fault or negligence of Dealer. Manufacturer has reserved the right to change the design of any new motor vehicle, chassis and any accessories or parts thereof at any time without notice and without obligation to make the same or any similar change upon any motor vehicle, chassis, accessories or parts thereof previously purchased by or shipped to Dealer or being manufactured or sold in accordance with Dealer's contracts. In the event of any such change by Manufacturer, Dealer shall have no obligation to Customer to make the same or any similar change in any motor vehicle, chassis, accessories or parts thereof covered by this Order either before or subsequent to delivery thereof to Customer. Dealer shall have no duty to disclose intended design changes by Manufacturer. Line item(s) of optional Dealer installed accessories, equipment listed on page 1 of this Order, service contracts or extended service policy shall not be construed as having been produced, supplied, issued by or installed by Manufacturer. With respect to a new Vehicle, all equipment and options existing at the time the Vehicle was shipped by the Manufacturer were produced by the Manufacturer and/or its world wide suppliers. Items installed thereafter may not be products of the Manufacturer. Neither the Manufacturer, nor Dealer warrant these items. Dealer does not warrant or guarantee the mileage indicated on the used Vehicle is accurate or that it may not have been altered by persons in possession prior to Dealer. Customer acknowledges that new vehicles may be delivered by the Manufacturer with some in-transit damage and acknowledges that sometimes new vehicles are damaged from being moved on or around the Dealer's property. Customer acknowledges that Customer may not be advised, except as required by Florida Statutes, if such damage occurs to a new Vehicle and is repaired.

C. **Trade-In:** Customer grants, bargains, conveys, sells, assigns and transfers to Dealer all of Customer's right, title and interest in the Trade-In. Customer fully warrants title to the Trade-In and that it is free and clear of all liens and encumbrances except as otherwise noted herein and will defend same against the claims of all persons whomsoever. Customer agrees to deliver to Dealer satisfactory evidence of title to any Trade-In at the time of its delivery to Dealer. If Customer fails to pay any undisclosed or understated liens, Customer shall be in material breach of this Order. In the event that the Trade-In has more mileage than represented by Customer or any of Customer's representations regarding the Trade-In are false, Customer shall be obligated to pay Dealer the difference between the ACV of the Trade-In as represented and the correct ACV within 10 days from written demand. Dealer may recover all consequential and incidental damages arising from Customer's breach of any warranty regarding the Trade-In. Dealer may reappraise the Trade-In if before its possession is delivered to Dealer, it is damaged or parts or accessories have been removed. If such reappraised value results in a "Pre-owned Allowance &/or Discount" that is lower than the allowance shown hereon, Customer may, if dissatisfied therewith, terminate this Order.

D. **Rebates / Payment / Incentives:** Dealer has no obligation to disclose to Customer the availability of any incentives or rebate. All incentives and rebates shown on page 1 hereof are hereby assigned to Dealer. If Customer is receiving a discount or credit based on a specific relationship with the Manufacturer, Customer must furnish all necessary documentation, information, verification and certificates within 30 days. In the event that Customer fails to timely do so or in the event any moneys to be paid at inception are not paid or non-negotiable (i.e., NSF), Customer shall be in breach of this Order.

E. **Mandatory Mediation:** Before any party institutes an action, other than one that is expressly outside the scope of the arbitration provision, the parties must first mediate the dispute before a court certified mediator, which mediation shall be conducted in the county where the Dealer is situated. The parties shall jointly select the mediator and equally divide the cost of the mediation. The parties shall use good faith in selecting the mediator and participating in the mediation.

F. **Additional Equipment and Accessories:** If the vehicle has equipment or accessories other than as described on the Manufacturer's window sticker, such items may have been fabricated or distributed by other than the Manufacturer and may not be endorsed

by the Manufacturer. In such instance(s), the equipment or accessory will not be covered by the Manufacturer's express limited warranty covering the Vehicle. Check with Dealer for a list of any such equipment or accessory on the Vehicle.

G. **Miscellaneous:** This Order shall survive the execution of the Lease Agreement. To the extent any terms herein conflict with the terms of the Lease Agreement (except as to dollar amounts), this Order shall control and govern. Waste tire fees and lead-acid battery fees, if applicable and if included in the price of Vehicle, are payable to the State of Florida, Department of Revenue. Dealer is not the agent of the Manufacturer. This Order cancels and supersedes any prior contract and comprises the complete and exclusive statement of the terms of the Order relating to the subject matters covered hereby, and constitutes the entire Order between the parties. There are no representations or contracts between the parties except as set forth herein or contemporaneously executed. This Order may not be changed, modified or extended except by an instrument in writing and signed by the parties. In the event this Order or any other contract or document executed by Customer contains a clerical or computation error or if additional documentation is necessary in order to effectuate the parties' intent, Customer agrees to cooperate with the execution of such (corrected) documentation and produce the additional documentation. Should Customer unreasonably refuse to give such cooperation, Customer shall be in material breach of this Order. By execution of this Order, Customer certifies being 18 years old or older. Customer has read, understands and accepts all provisions of this Order and the Warranty Statement. The parties enter into this Order freely and voluntarily in the absence of any duress or coercion. Customer agrees to pay, unless prohibited by law, any and all taxes applicable to this transaction, regardless of which party may have the primary tax liability therefor. The Florida Title, Registration and License fees are the result of a highly complicated formula. As a result, the amounts charged may only be estimates. If the amount of taxes and government fees identified on page 1 hereof is less than the correct amount, Customer shall be obligated to Dealer for such difference. If the amount charged exceeds the correct amount, Dealer shall refund to Customer the difference. Dealer's obligations and rights hereunder may be assigned as this Order shall inure to the benefit of Dealer, its successors and/or assigns. All paragraph headings set forth in this Order are intended for convenience only and shall not control or affect the meaning or construction of the provisions hereof. All remedies afforded in this Order shall be taken and construed as cumulative, that is, in addition to every other remedy provided therein or by law. The failure of Dealer to enforce at any time any of the provisions of this Order, or to exercise any option herein provided, or to require at any time performance by Customer of any of the provisions hereof, shall in no way be construed to be a waiver or create an estoppel from enforcement of such provisions, nor in any way to affect the validity of this Order or any part thereof, or the right of Dealer to thereafter enforce each and every such provision, or to seek relief as a result of the prior breach. This Order is an essential document to any claim by Customer against Dealer in connection with the leasing of the Vehicle.

H. **Termination:** In the event this Order is terminated by either Dealer or Customer as permitted by this Order, including, but not limited to the failure to obtain Lease Approvals: (a) Dealer will be entitled to the immediate return of the Vehicle and Customer shall be obligated to return the Vehicle to Dealer within 24 hours of the date of termination; and (b) Customer shall be liable to Dealer for \$1.00 per mile used over and above 25 miles per day average, plus any wear, tear or damage to the Vehicle and diminution in value. In the event that the Vehicle is not returned within this time period, such failure will constitute a material breach of this Order and Dealer shall have those remedies as described in paragraph "I" below. Otherwise, Customer will be entitled to the return of their inception money subject to a lien in favor of Dealer for any amount due it hereunder. If a Trade-In was applied towards the Vehicle's acquisition, it shall be returned to Customer upon payment of a reasonable charge for storage, lien payoffs and repairs (if any) or, if it has been already sold by Dealer, Customer shall be entitled to the "Net Trade-in Proceeds", calculated as follows: the ACV, less the sum of (i) liens, (ii) costs incurred by Dealer to repair and/or ready it for sale, and (iii) a selling commission equal to 15% of the ACV. If the Net Trade-In Proceeds is negative, then Customer shall be obligated to Dealer for that amount.

I. **Dealer's Recourse:** In the event this Order is breached by Customer, Dealer shall: (a) have the right to the immediate return of Vehicle and to repossess same, with or without legal action, and to peacefully enter onto any property in which Customer has an interest in order to effectuate such repossession; (b) be entitled to compensation for Customer's use of Vehicle equal to: (i) \$1.00 per mile used; and (ii) \$30.00 for each day Customer is in possession of Vehicle, unless the Vehicle's Cash Price exceeds \$20,000, then \$45.00 per day; (c) be entitled to compensation for any damage, including but not limited to unusual wear and tear to the Vehicle and repossession related charges, as well as detailing and restocking costs; (d) have a lien on any Trade-In or the Net Trade-In Proceeds, and any payments made by Customer hereunder; (e) have the right to attach and perfect a lien against the Vehicle or Trade-In for those amounts due it hereunder, and Customer hereby consents to and authorizes same for which authority Customer grants Dealer an irrevocable power of attorney to record that lien; and (f) be entitled to any other remedy available at law or equity. In the event Dealer repossesses the Vehicle, Customer shall hold Dealer harmless and indemnified from any liability, damages or consequential damages arising out of an authorized repossession, including any claims from third parties asserting an interest in personalty left in Vehicle.

J. **Servicing and Collection Contacts:** You agree that we may try to contact you in writing, by e-mail, or using prerecorded/artificial voice messages, text messages, and automatic telephone dialing systems, as the law allows. You also agree that we may try to contact you in these and other ways at any address or telephone number you provide us, even if the telephone number is a cell phone number or the contact results in a charge to you.

Hertz RAC 2020 Cadillac XT6 - [REDACTED]

Equipped with RPO's:

IOS - CADILLAC USER EXPERIENCE 8" DIAGONAL COLOR DISPLAY.

UVB - HD REAR VISION CAMERA.

P17 Information Display Screen Flashes OFF/ON, *only* when in reverse.

Tucson, AZ / Dealer BAC - 259758

TAC Case # [REDACTED]

Current Mileage - 4,975 miles

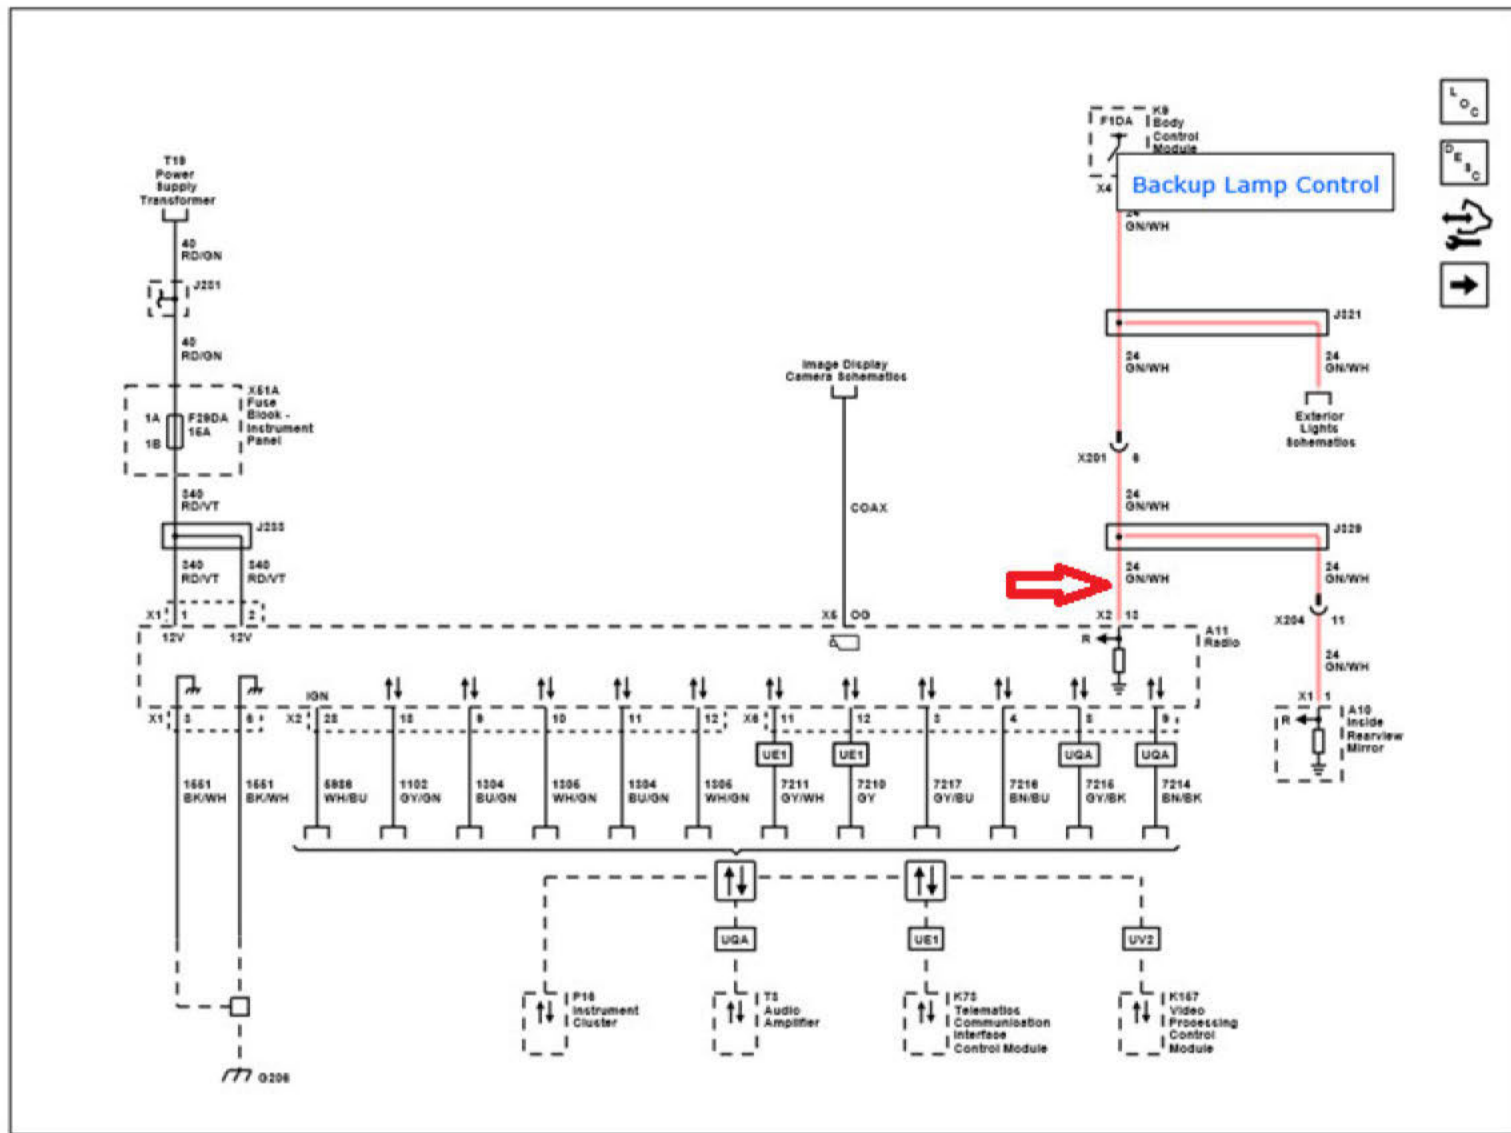

To date, dealer had replaced the B87 Rearview Camera and the A11 (IOS) Radio & installed a test coax cable between, concern persisted.  
No DTC's setting. FSE visited dealer 9/30/20. Verified concern was present as described.

Found RVC Image flashed off/on *ONLY* when shifted into reverse.  
Once shifted into drive, RVC image remains steady for a few seconds until it changes over to the radio screen.  
(Video of concern)

Radio Power, Ground and Serial Data

UVB RVC System is a very simple ckt. All components shown had already been replaced, yet concern persisted?

Suspecting possible aftermarket lighting, Dealer had severed the Back-Up Lamp Control ckt 24 at the A11 Radio connector X2, terminal 13, which should have eliminate any possible aftermarket lighting concerns?

RVC Image still activated when shifted into reverse???

Screen flashing on/off concern persisted.

There is obviously some other input letting the radio know when vehicle is in reverse, (suspect over GM LAN Communication?)

Only other possibilities inducing the concern could be incorrect Hardware/Software installed previously?

Possible faulty LVDS Cable, or faulty P17 Info Display Module?

But why would either of these components cause the concern to occur only while in reverse?

We verified O.E. A11 Radio P/N 84817042, Replacement Radio P/N 84857381 & Replacement B87 RVC P/N 84721404 were all correct for the vehicle application.

Verified IOS A11 radio had been correctly SPS programmed with correct calibrations.  
A11 Radio had latest software version U150 installed.

EPC lists the Molex LVDS Cable as being serviced by I/P Harness replacement only.  
(SI Doc ID 5182682)

Display Power, Ground, Serial Data and Microphones (IOS or IOT)

With few options left, we decided to try replacing the P17 Info Display Module.  
(Label off O.E. P17 Info Display Module - P/N 84752892)

After replacing the P17 Info Display Module, the RVC Image no longer flashed off/on,  
image remained on steady while in reverse and operated normally.

While I did find a few similar 2019 cases for P17 Info Display Module Screen Flashing On/Off in the Siebel Data Base,  
None were listed as only occurring while in reverse?

None were for an IOS Radio & none were for a 2020 Model Year N8 / C1TL Platform Vehicle.

I suspect one of the 3 LVDS ckts is dedicated for RVC and something in the P17 Info Display Module was just not interpreting the signal correctly?

Unknown if all these platforms & Infotainment systems utilize the same P17 Info Display Module?
