ATTENTION: ALL DEALER PRINCIPALS

Kia America, Inc., pursuant to the National Traffic and Motor Vehicle Safety Act, is conducting a Safety Recall Campaign on certain 2022 MY Sorento Hybrid vehicles manufactured from July 12, 2021 through July 28, 2021 and certain 2022 MY Sorento Plug-in Hybrid vehicles manufactured from July 14, 2021 through July 16, 2021.

The front driver-side and/or passenger-side seatbelt pretensioner(s) were installed from a suspect production lot containing pyrotechnic-type pretensioners that may deploy abnormally during a crash. An abnormal pretensioner deployment could cause metal fragments to enter the vehicle occupant compartment increasing the risk of injury.

Dealers will replace the driver-side, passenger-side or both seat belt pretensioner(s).

Your Service Manager was sent a copy of the owner notification letter and a Q&A guide for recall questions both of which describe the issue and information on how to access the list of affected vehicles. Kia will start mailing notices to the affected vehicle owners on **May 3, 2022**
