Mr. Stephen Ridella, Director
Office of Defects Investigation
National Highway Traffic Safety Administration
1200 New Jersey Avenue SE, W45-302
Washington, DC 20590

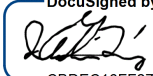

Dear Mr. Ridella:

Subject: PE23-001

The Ford Motor Company (Ford) response to the Agency's letter (received February 15, 2023) concerning reports of allegations of windshield trim panel detachment that may cause driver of vehicles following the subject Ford vehicle to lose vehicle control in certain (MY) 2011-2019 Ford Explorer vehicles is attached.

If you have any questions concerning this response, please feel free to contact me.

Sincerely,

DocuSigned by:
