Hello @Bednarz, Angel L

Since Horia and I reviewed the PPAP package and already signed the old PSW form, LEP can receive these parts as PPAP approved parts and there is no need for an alert.
Please see attached approved PSW form (old) and SCCAF for reference.

Hello @Knopek, Alicja

Please submit the updated PPAP package to Angel with revised SCCAF and submit new PSW form for future records.

Thank you!

Hello my favorite Engineering Team,

I would like to ask for the SCCAF approval. What is the status? Do we need confirm something more or just yours signature is only needed?
Let me know.

Thank you
