Nitesh,

What is our suspect population? I have never run a VERN for this concern.

The latest presentation materials in GRID are from 2021. The latest information I have from you is for the 25-Jan-2023 TRG.

Hello Mauricio,

Sharing with you the chart on annual volume for Expedition I got from VH&C PM. Based on the chart, it seems the overall volume for Expedition is ~ 105,400 units.

Best Regards,
Nitesh
