Service Charge. The Service Charge covers or defrays some of Dealer's service department overhead costs, including, but not limited to, shop supplies, employee safety measures and training, and waste disposal and handling, many of which do not lend themselves to precise itemization or allocation. Not all repair or service transactions will cause Dealer to incur all of the costs defrayed by the Service Charge. The Service Charge may include Dealer profit. The Service Charge is not a government required fee.

As part of our effort to provide the highest possible level of service to our customers, we would like your authorization for this Dealership to contact you in order to ensure you are happy with your purchase, keep you informed of new product offerings and promotions, remind you of necessary vehicle maintenance or service, and for any other reason we feel is necessary or appropriate. **UNLESS YOU CHECK THE BOX BELOW**, by signing this form, you give this Dealership **PERMISSION** to contact you (**either personally, via text messages or with prerecorded telemarketing messages**) at the telephone numbers (which may include **wireless phone numbers**), fax number and/or e-mail address listed. This **AUTHORIZATION** allows us to better serve you in compliance with federal and state regulations and in no way is a condition to receiving goods or services.
: Please do not contact me as provided above.

Customer agrees that this Agreement includes all of the terms and conditions on the **front and back side hereof**, that this Agreement cancels and supersedes any prior agreement including oral agreements, and as of the date below comprises the entire agreement between Customer and Dealer relating to these repairs or other matters referred to on the front or back side of this document.
