Cancellation policy

Express Deal rental cars are non-refundable, non-transferable and non-changeable (including for COVID-19) even if the reservation is not used.

Driver

Driver name

Important Info

- For the health and safety of customers and employees, the partner is requiring everyone to wear masks across all locations. Children ages three or younger, along with individuals that have health conditions preventing them from wearing a mask, are exempt.
- We recommend that you have the reservation information available to present at the rental car counter to simplify the pick-up process.
- You have been charged for this rental car reservation. Your rental car reservation is non-refundable, non-transferable and non-changeable even if the reservation is not used.
- Additional charges may apply at the counter if you pick up or drop off the car at a different date, time, or location than you requested for your reservation.
- Only the driver will be able to pick up the rental car at the counter and must present a valid driver's license. An additional driver may be added at the counter for a fee payable directly to the rental car company.
- An additional licensed driver meeting minimum age requirements can be authorized at the counter if the additional driver is a spouse, employer, colleague or listed on the renter's contract as authorized.
- Thrifty Car Rental will charge the driver at the rental counter for optional items you add to your reservation, including any child seats or special requests.
- You have indicated that the driver will provide a credit card in his/her name for the refundable security deposit required at the rental counter. As a reminder, bank debit cards cannot be used as credit for car rentals and are subject to certain restrictions. The security deposit will be released back onto your card once the vehicle is returned.
- The amount needed for the refundable security deposit required at the rental counter varies due to car type, rental period, and optional items, not including the cost of any additional items added at the counter. The rental partner can verify the exact amount.
- Some states collect fees, or tolls, for access to certain roadways. Some tolls may be cashless and fees are paid via an electronic toll collection program. Thrifty Car Rental may have a specific policy regarding cashless tolls, or offer the option to participate in their electronic toll collection program. We recommend you speak to the counter agent upon arrival about whether this may affect you.
- Prevent theft. Remove valuables from the rental car and lock the doors.
