\* In the event that you, the customer, authorize commencement but do not authorize completion of a repair or service, a charge will be imposed for disassembly, or partially completed work. Such charge will be directly related to the actual amount of labor or parts involved in the inspection, repair or service.  
 \* The preliminary estimate is based on our initial inspection. If any additional repairs are required, you will be contacted for your authorization.  
 \* All parts installed are new unless otherwise instructed.  
 \* Due to insurance restrictions, no loaner cars are available. Arrangements for rental cars must be made in advance.  
 \* Due to the type of service requested some repairs must be sublet.  
 \* All charges for repairs including labor and materials are due and payable simultaneously with the delivery of the vehicle or prior to delivery upon the expiration of three (3) days after notice that the repairs have been completed.  
 \* I agree that the vehicle may be held by TC Chevrolet, Inc. until all charges are paid in full. If I fail to pay these charges, I also agree to pay a late charge equal to 1 1/2% per month of the unpaid balance and I further agree to pay any and all collection costs, including attorney's fees, incurred by TC Chevrolet, Inc. All of these additional charges shall also be secured by the mechanic's lien.
