BODY ELECTRICAL DIAGNOSIS <i>Comments: Comments: the customer states the check engine light is on. yesterday only gas motor was running. loss of propulsion message was also on dic. there was no power to engine or hybrid side. customer had veh towed in. check and advise</i>	\$370.00

I hereby authorize the repair work listed herein, including sublet work, to be done along with necessary materials. You and your employees may operate the described vehicle for the purposes of testing, inspection, or delivery at my risk. An express lien is acknowledged on said vehicle to secure the amount of repairs thereto. You will not be held responsible for loss or damage to vehicle or articles left in vehicle in case of fire, theft, accident or any other cause beyond your control. Customer agrees to pay all collection costs and/or attorney fees in the event that default is made on any payment due. If vehicle is returned to customer without repair service being performed, a diagnostic and handling fee (including reassembly) may be charged. I have read and understand the above and acknowledge receipt of this work order.
