Service Charge. This charge represents costs and profits to the motor vehicle repair facility for miscellaneous shop supplies or waste disposal. Not all transactions will cause Dealer to incur all of the costs defrayed by the Service Charge. The Service Charge is not a government-required fee. ***FS403.718 mandates a \$1.00 fee for each new tire sold in the State of Florida. ***FS403.7185 mandates a \$1.50 fee for each new or remanufactured battery sold in the State of Florida.

Customer Initials: _____ I hereby consent to receive autodialed and/or pre-recorded telemarketing calls from or on behalf of the Dealership at the telephone number(s) and/or e-mail address I provided in this document. I understand that carrier charges may apply and that such consent is not a condition of purchasing or leasing any goods or services from the Dealership.

All parts are new unless otherwise indicated.

Customer agrees that this Agreement includes all of the terms and conditions on the front and back side hereof, that this Agreement cancels and supersedes any prior agreement including oral agreements, and as of the date above comprises the entire agreement between Customer and Dealer relating to these repairs or other matters referred to on the front or back side of this document.
