

A photograph of a car's engine compartment. The engine is the central focus, with various components like hoses, wires, and a battery visible. A large, semi-transparent grey redaction box covers the middle portion of the image, obscuring the engine's details. The text 'INFORMATION REDACTED PURSUANT TO THE FREEDOM OF INFORMATION ACT (FOIA), 5 U.S.C. 552(B)(6)' is overlaid on this redacted area. The car's hood is open, and the surrounding environment appears to be a workshop or garage.
