

General Motors Scrap Disposition Disclosure

This VIN [REDACTED] was repurchased for the following customer-reported concern:

will not charge, Check engine light is on.

The Technical Assistance Team has worked with the Dealer, Brand Quality, Field Service Engineering, and/or Product Engineering. It has been determined that the vehicle will be set to a SCRAP disposition for the following reasons:

The vehicle will be sent for scrap/donation due to the vehicle needing a High Voltage battery which is not available.

At this time we are recommending that this vehicle be considered for scrap/donation.
