What is Covered New Vehicle Limited Warranty

Subject to the other terms and conditions of this limited warranty manual, Kia Motors America, Inc. (“Kia”) warrants that it will arrange for an Authorized EV Kia Dealer at locations of its choice to provide for the repair of your vehicle if it fails to function properly during normal use. An authorized EV Kia Dealer will remedy such failures to function properly at Kia’s expense, if you present your vehicle to such a service facility during its normal operating hours, provide sufficient information to permit a proper identification and diagnosis of the failure to function, and permit the facility adequate time to perform the necessary repair. As this obligation is subject to the terms, conditions and limitations of this manual, you should refer to the manual to understand which repairs and replacements are covered by this warranty and how to locate an Authorized EV Kia Dealer. (See pg.12 for reference in locating an Authorized EV Kia Dealer). When an Authorized EV Kia Dealer makes necessary repairs pursuant to the warranty, it may do so using parts that are new, repaired, remanufactured, reconditioned, or otherwise authorized by Kia. These parts will be covered by the terms and conditions of the Replacement Parts and Accessories Limited Warranty. If an Authorized EV Kia Dealer declines or fails to carry out a proper repair or replacement covered by this limited warranty without charge to you, Kia will (a) determine if the repair or replacement requested by you is covered by this New Vehicle Limited Warranty and, if so, (b) obtain cooperation from an Authorized EV Kia Dealer to

conduct such repair or replacement without charge to you. However, Kia’s obligation to do (a) and (b) requires you to contact the Kia Consumer Assistance Center and provide all materials needed by them to carry out those obligations to you. The Center can be contacted at the address or phone number provided in the Kia Owner Satisfaction and Assistance Section of this manual, or can also be found at the Kia website at <http://www.kia.com>.

Parts replaced under any warranties in the Manual become the property of Kia.

1. The Warranty Period

The New Vehicle Limited Warranty is divided into various warranty periods. For the purpose of all warranties contained in this Manual (other than warranties on replacement parts or accessories installed after the Kia Vehicle was placed into use), the warranty period begins on the Date of First Service. “Date of First Service” means the first date the Kia Vehicle is delivered to the first retail purchaser, is leased or is placed into service as a company vehicle use (e.g., as a demonstrator, rental or fleet vehicle), whichever is earliest. Moreover, whenever this manual refers to a warranty period of months/miles, it means whichever comes first. Any remaining portion of any warranty, except the 120 months/100,000 miles Power Train (Original

Owner) warranty, is fully transferable to subsequent owners.

2. Warranty Coverage

• Basic Warranty Coverage

Except as limited or excluded below, all components of your new Kia Vehicle are covered for 60 months/60,000 miles from the Date of First Service, whichever comes first (Basic Limited Warranty Coverage). This Warranty does not cover wear and maintenance items, or those items excluded elsewhere in the Manual. See "Exceptions" and "What is Not Covered."

• Power Train Coverage

For Original Owners (defined below), the Power Train Limited Warranty begins upon expiration of the 60 months/60,000 miles Basic Limited Warranty Coverage, and will continue to cover the following components up to 120 months or 100,000 miles from the Date of First Service, whichever comes first. It does not cover normal wear and tear, maintenance, or those items excluded elsewhere in this manual. See "Exceptions" and "What is Not Covered."

The items covered by the Power Train Limited Warranty include:

- **In the Drivetrain section:** Drive shaft (excluding rubber boot), final drive housing, internal parts, universal joints, bearings, seals, gaskets.

• Electric Vehicle (EV) System Warranty

The EV System Warranty coverage period is 120 months or 100,000 miles from the Date of First Service, whichever comes first, and applies to the following EV System components: Electric Motor, Gear Drive Unit, Battery pack ("EV Battery), Electric Power Control Unit (EPCU), On Board Charger (OBC), and all internal parts. The EV System Warranty does not cover any other electrical components in the vehicle, such as (but not limited to) the traditional 12 volt car battery, alternator, or other starter components. See "Exceptions" and "What is Not Covered."

• Original Owner

An Original Owner is defined as the first retail purchaser or lessee of the Kia Vehicle who takes delivery of the Kia Vehicle on its Date of First Service. If the Kia Vehicle was first placed in service as a lease vehicle, and the lessee purchases the vehicle at the end of the lease, the 120 months/100,000 miles Power Train Limited Warranty remains in effect. The Power Train Limited Warranty is not transferable to subsequent owners.

- **Vehicles Placed in Commercial Service**

The 120 months/100,000 miles Power Train Limited Warranty also excludes all coverage for any Kia Vehicle that has been placed into any form of commercial service, including but not limited to taxi, route delivery, livery service, or rental.

- **Adjustment Coverage**

Service Adjustments are covered for the first 12 months/12,000 miles. Service adjustments means minor repairs not usually associated with the replacement of parts, such as wheel balance and alignment, freeplay or tension adjustments of cables, belts, levers and pedals, body parts and fittings.

3. **Exceptions**

The items specified below are covered for periods different from the basic coverage.

- **Air Conditioner Refrigerant Charge**

Air conditioner refrigerant charge is covered for the first 12 months of the warranty period regardless of mileage. Over the balance of the warranty period, refrigerant charge is covered only when replenished as part of a warranty repair.

- **Audio / Entertainment System**

An original equipment radio or navigation system is covered for the first 36 months/36,000 miles.

- **Traditional 12 Volt Battery (Non EV)**

The original equipment Traditional 12 Volt Battery is covered by a limited warranty for a period of 36 months/36,000 miles. During 36 months/36,000 miles of the warranty period, a defective battery will be replaced at no cost to you. Kia will cover diagnostic, installation and replacement battery costs.

Kia will not reimburse you for any portion of the cost of a non-Kia replacement battery.

- **Lithium-Ion Polymer Battery Capacity Coverage**

The Lithium-Ion Polymer Battery (“EV Battery”) Capacity warranty coverage period is 10 years or 100,000 miles from the Date of First Service, whichever comes first, for capacity loss below 70% of the original battery capacity. This warranty covers repairs needed to return battery capacity to 70% of original battery capacity. If possible, the EV battery components will be repaired or replaced, and the original EV Battery will be returned to the vehicle. If necessary, the EV Battery will be replaced with either a new or remanufactured Lithium-Ion Polymer Battery. Any repair or replacement made under this Lithium-Ion Polymer

Battery Capacity Coverage may not return your Lithium-Ion Battery to an “as new” condition with the original 100% battery capacity. However, it will provide the vehicle with an EV Battery capacity of at least 70% of the original battery capacity. This Lithium-Ion Battery Capacity Coverage is subject to the exclusions listed under the section “What is Not Covered.”

- **Brake and Clutch Linings**

Brake linings, including pads and shoes, and clutch linings are warranted for 12 months/12,000 miles, whichever comes first, if they fail to function properly during normal use. Brake linings are designed to wear out as part of the process of stopping your vehicle safely and consistently while providing reasonable levels of noise and vibration during normal use. Brake or clutch linings function properly during normal use even if they need replacement in less than the full warranty period. Rather, most replacements at lower mileage are required by driver usage habits which can cause high rates of wear. In addition, brake lining wear is substantially increased by environmental conditions such as exposure to road salt or due to regular driving in stop and go rush hour traffic. The more wear factors which are present, the more rapid the

wear. Resulting repairs and replacements of linings are not covered by your warranty.

- **Paint**

Paint repairs due to non-impact discoloration, fading, cracking, chipping, or flaking are covered for the first 36 months/36,000 miles.

- **Seat Belt Warranty-Kansas**

The seat belts in Kia Vehicles originally sold in the State of Kansas are covered under the New Vehicle Limited Warranty for a period of 120 months, regardless of mileage, when the repairs are performed by an Authorized EV Kia Dealer in Kansas.

4. **Limited Liability**

Liability under this warranty is limited solely to the repair or replacement of factory installed parts if they fail to function properly during normal use. Such repair or replacement shall be carried out by an Authorized EV Kia Dealer at its place of business. This warranty does not include any other expense, including but not limited to those for any replacement transportation or for the loss of use of your Kia vehicle

- Maintenance services described as “Scheduled Maintenance Services”, “Owner Maintenance Services” or “Appearance Care” in your Owner’s Manual.

THE DURATION OF ALL IMPLIED WARRANTIES, IF ANY, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS, ARE LIMITED RESPECTIVELY TO THE DURATION OF THESE EXPRESS WARRANTIES.

THESE WARRANTIES ARE GIVEN IN LIEU OF ALL OTHER EXPRESSED WARRANTIES (EXCEPT ANY SET FORTH SEPARATELY IN THIS MANUAL) ON THE PART OF KIA MOTORS AMERICA, INC. OR THE AUTHORIZED EV KIA DEALER SELLING YOUR KIA VEHICLE. NO DEALER, OR ANY AGENT OR EMPLOYEE THEREOF, OR ANY OTHER PERSON, IS AUTHORIZED TO EXTEND OR ENLARGE THESE WARRANTIES. KIA MOTORS AMERICA, INC. SHALL NOT BE LIABLE FOR ANY ECONOMIC LOSS, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES, OR ANY SERVICE NOT EXPRESSLY PROVIDED FOR HEREIN.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may have other rights which vary from state to state.

Subject to the other terms and conditions of this limited warranty manual, Kia Motors America, Inc. (“Kia”) warrants that it will arrange for an Authorized EV Kia Dealer at locations of its choice to provide for the repair of your vehicle if it fails to function properly during normal use. Such service facilities will remedy such failures to function properly at KMA’s expense, if you present your vehicle to such a service facility during its normal operating hours, provide sufficient information to permit a proper identification and diagnosis of the failure to function, and permit the facility adequate time to perform the necessary repair. As this obligation is subject to the terms, conditions and limitations of this Manual, you should refer to the manual to understand which repairs and replacements are covered by this warranty. If an Authorized EV Kia Dealer declines or fails to carry out a proper repair or replacement of a factory installed part covered by this limited warranty without charge to you, Kia will (a) determine if the repair or replacement requested by you is covered by this Anti-Perforation Limited Warranty and, if so, (b) obtain cooperation from an Authorized EV Kia Dealer to conduct such repair or replacement without charge to you. However, Kia’s obligation to do (a) and (b) requires you to contact the Kia Consumer Assistance Center and provide all materials needed by them to carry out those obligations to you. The Center can be contacted at the address or phone number

provided in the Kia Owner Satisfaction and Assistance Section of this manual, or can also be found at the Kia website at <http://www.kia.com>.

1. Warranty Period

2. What is Not Covered

- Any perforation due to corrosion of the Kia Vehicle which is caused by industrial fallout, accident, damage, abuse, vehicle modifications or damaging or corrosive cargo in the Kia Vehicle.
- Any surface corrosion of the Kia Vehicle which does not result in perforation, such as that caused typically by sand, salt, hail or stones.
- Any perforation due to corrosion of a part of the Kia Vehicle which is not a body sheet metal panel. As used herein, “body sheet metal panel” specifically excludes all parts which are components of the exhaust system of the Kia Vehicle.
- Defects or damage resulting from the use of parts not sold or approved by Kia including the resultant damage to associated parts or systems.
- Any perforation due to corrosion of the Kia Vehicle caused in whole or in part by a failure to maintain

the Kia Vehicle in accordance with the procedures specified in paragraph 3, “Your Responsibilities”

3. Your Responsibilities

Inspect the body sheet metal panels of your Kia Vehicle on a regular basis (at least monthly) to detect any chips or scratches in the paint or protective coating and to repair them immediately.

Special care should be taken to protect your Kia Vehicle from corrosion under the following conditions:

- If you drive on salted roads, or if you drive near the ocean, flush the underbody as needed, and at least weekly with clean unsalted water.
- It is important to keep the drain holes in the lower edges of the body clear.
- If your Kia Vehicle is damaged due to an accident or any event which may cause damage to the paint, have your Kia Vehicle repaired as soon as possible.
- If you carry special cargo, such as chemicals, fertilizers, deicing salt, or other corrosive substances, be sure that such materials are well packaged and sealed. Any leakage of such materials will void this warranty where the leakage has occurred.
- If you drive frequently on gravel roads, we recommend that you install stone guards behind each wheel.

4. To Get Warranty Service

You must take your Kia Vehicle, along with this manual, to any Authorized EV Kia Dealer in the United States during its normal service hours. (See pg.12 for reference in locating an Authorized EV Kia Dealer).

If you have any questions or need assistance regarding this warranty, refer to the “When You Need to Talk to Kia” starting on Page 24.

5. Limited Liability

Liability under this warranty is limited solely to the repair or replacement of factory installed parts that fail to function properly. Such repair or replacement shall be carried out by an Authorized EV Kia Dealer at its place of business. This warranty does not include any other expense, including but not limited to those for any replacement transportation or for the loss of use of your Kia vehicle.

6. Other Terms

As this obligation is subject to the terms, conditions and limitations of this manual, you should refer to the manual to understand which repairs and replacements are covered by this warranty. However, Kia’s obligation to do (a) and (b) requires you to contact the Kia Consumer Assistance Center and provide all materials needed by them to carry out those obligations to you. The Center can be contacted at the address or phone number provided in the Kia Owner Satisfaction and Assistance Section of this manual, or can also be found at the Kia website at <http://www.kia.com>.

ROADSIDE ASSISTANCE PROGRAM

As an added consumer benefit, Roadside Assistance is provided on all new 2019 Kia Vehicles from the date the vehicle is delivered to the first retail buyer or otherwise put into use (in-service date), whichever is earlier, for a period of 60 months or 60,000 miles, whichever is earlier, subject to the terms, conditions and exclusions set forth in this manual.

More information regarding the services available under Kia's Roadside Assistance program is available in your

Kia Vehicle's Owner's Manual. These services generally include:

- Towing to the nearest authorized Kia dealer or an alternative service location in the event of a warranty-related disablement
- Flat tire assistance*
- Jump start assistance*
- Lock-out assistance* (excludes reimbursement for replacement of any missing, lost or damaged keys)
- Trip interruption expense benefits in the event a warranty-related disablement occurs more than 150 miles from home and the repairs require more than 24 hours to complete (limited to \$100 per day for a maximum of 3 days per incident) NOTE: Fleet vehicles are excluded from reimbursement under Kia's Trip Interruption Policy.

* Roadside Services are limited to a maximum of \$75 per occurrence.

Kia's toll free Roadside Assistance hot line is staffed 24 hours a day, 365 days a year and is accessible by dialing 1-800-333-4 KIA (4542). Please note that you must provide your Vehicle Identification Number (VIN) to verify coverage at the time of your call. The VIN can be found on the dash of your vehicle on the driver's side, on the door jamb of the driver's door, on your vehicle's registration or proof of insurance card.

Kia Motors America reserves the right to limit or deny services or other benefits to any owner or driver when, in Kia Motors America's judgment, the claims and/or service requests are excessive in frequency or type of occurrence.

The following is not covered under Roadside Assistance:

- Any Kia vehicle that has ever been or should be issued a "Salvage" title or similar "branded" title under any state's law or has been declared a "total loss" or equivalent by a financial institution or insurance company.

STEP 2 :

If the problem has still not been addressed to your satisfaction, please contact our Kia Consumer Assistance Center using our toll free number:

1-800-333-4KIA(4542)

To assist you the Consumer Assistance Center will ask for the following information:

- Your name, address and telephone number
- Vehicle identification number (on dashboard and on label installed on the driver's door).
- Date of purchase
- Current odometer reading
- Your Kia dealership's name

Or you can write to Kia with the above information at:

Consumer Assistance Center
Kia Motors America, Inc.
P. O. Box 52410
Irvine CA 92619-2410

STEP 3 :

In the event that you believe Kia has been unable to satisfactorily address the concern, a special alternative resolution program called AUTO LINE is available to you. This independent agency is run by the BBB National Programs, Inc. and is provided at no cost to you. You may contact them at:

AUTO LINE
BBB National Programs, Inc.
3033 Wilson Blvd. Suite 600
Arlington, VA 22201
800-955-5100

The purpose of the AUTO LINE is to settle disputes between vehicle manufacturers and consumers. The AUTO LINE staff will record the details of your concern by telephone and will ask for the same information as in Step 2.

The AUTO LINE program consists of two parts - mediation and arbitration. The BBB AUTO LINE staff will provide suggestions for resolving the problem during mediation. If a satisfactory resolution has not been achieved during mediation, you will have the opportunity to present your case personally before an impartial person or three person panel. This is the arbitration part of AUTO LINE. The arbitrator(s) will make a decision after the arbitration hearing.

If you accept the decision, it will be legally binding on you and Kia. However, in some states, if the decision is not accepted, it may be introduced either by you or Kia as evidence in subsequent court action. Disputes handled through the BBB Auto Line process are usually resolved within 40 days of your contacting the BBB. If you have not contacted Kia Motors America, Inc. first regarding your complaint, the arbitration process will take no longer than 47 days.

You must use BBB AUTO LINE prior to seeking remedies available to you through a court action pursuant to the Magnuson-Moss Warranty Act (the "ACT"). In addition, you must use BBB AUTO LINE if you are required to do so prior to seeking remedies available under the "Lemon Law" of your state. However, if state law permits and if you choose to seek remedies which are not created by the Act, you are not required to use BBB AUTO LINE, although that option is still available to you. The following section has been developed with information on contacting Kia and on the basic provisions of your State's "Lemon Laws". In some states, your Kia dealership may provide you with Lemon Law disclosure information in addition to the booklet in accordance with state law. Other states may have their own state-operated complaint resolution processes. Your eligibility for this program is determined by your vehicle's age, mileage and other contributing factors.

If this vehicle does not conform to its applicable warranties and Kia or its dealers have not repaired the vehicle after a reasonable number of repair attempts or the vehicle has been out of service for a specified number of days, you may be entitled under the provisions of your state “Lemon Law” to a replacement or repurchase of the vehicle. Should you seek a replacement or repurchase under the Lemon Law, you must use BBB AUTO LINE prior to initiating court action. BBB AUTO LINE is a third-party arbitration service administered by the BBB National Programs, Inc.

However, if you choose to seek other remedies that are not under your state Lemon Law, you need not use BBB AUTO LINE, although that option is still available to you.

For additional information about BBB AUTO LINE, review Pages 26-28 of this book or contact Kia at the address or toll-free number indicated below.

In addition, in order to seek remedies under your state Lemon Law, you must first:

1. Kia participates in BBB AUTO LINE, a mediation/arbitration program administered by the BBB National Programs, Inc. (3033 Wilson Blvd. Suite 600, Arlington, VA 22201) through local Better Business Bureaus. BBB AUTO LINE and Kia have been certified by the Arbitration Certification Program of the California Department of Consumer Affairs.

If you have a problem arising under a Kia's written new vehicle warranty, we encourage you to bring it to our attention. If we are unable to resolve it, you may file a claim with BBB AUTO LINE. Claims arising under a Kia's written new vehicle limited warranty must be filed with the BBB within six (6) months after the expiration of the warranty.

To file a claim with BBB Auto Line, call 1-800-955-5100. Your call will be automatically directed to the appropriate BBB AUTO LINE office in California. There is no charge for this call.

2. In order to file a claim with BBB AUTO LINE, you will have to provide your name and address, the brand name and Vehicle Identification Number (VIN) of your vehicle, and a statement of the nature of your problem or complaint. You will also be asked to provide the approximate date of your acquisition of the vehicle, the vehicle's current mileage, the approximate date and mileage at the time your problem was first brought to the attention of Kia or one of our dealers, and a statement of the relief you are seeking.

BBB staff may try to help resolve your dispute through mediation. If mediation is not successful, or if you do not wish to participate in mediation, eligible consumers may present their case to an arbitrator at an informal hearing. The arbitrator's decision should ordinarily be issued 40 days from the time your complaint is filed (47 days if you did not first contact Kia about your problem), or a delay of up to 30 days if the arbitrator requests an inspection/report by an impartial technical expert or further investigation and report by BBB AUTO LINE.

3. California Civil Code Section 1793.2(d) requires that, if Kia or its representative is unable to repair a new motor vehicle to conform to the vehicle's applicable express warranty after a reasonable number of attempts, Kia may be required to replace or repurchase the vehicle. California Civil Code Section 1793.22(b) creates a presumption that Kia has had a reasonable number of attempts to conform the vehicle to its applicable express warranties if, within 18 months from delivery to the buyer or 18,000 miles on the vehicle's odometer, whichever occurs first, *one or more of the following occurs*:

STATE OF NEW HAMPSHIRE MOTOR VEHICLE ARBITRATION BOARD

The New Hampshire New Motor Vehicle Arbitration Law, RSA 357-D, applies to new motor vehicles sold or leased (for two or more years) in the State of New Hampshire. A new motor vehicle is defined as a passenger vehicle, motorcycle, or truck with a gross vehicle weight not exceeding 11,000 pounds.

If, during the express warranty period, you discover a defect which substantially impairs the use, market value, or safety of this vehicle, and it has not been successfully repaired after three repair attempts by the manufacturer, its agent, or an authorized dealer, or it has been out of service by reason of repair of one or more nonconformities, defects, or conditions for a cumulative total of thirty business days, you may be entitled to apply for a comparable replacement or a refund of purchase price plus incidental damages less a reasonable allowance for use.

In order for a repair attempt to qualify, you must obtain a written repair order. Neither the manufacturer nor any agent of the manufacturer (including the dealership service) may refuse to provide you with a written repair order at your request.

The vehicle is deemed to be out of service if it is in for repair for a majority of the day.

You cannot use the New Motor Vehicle Arbitration Law if you elect to use the manufacturer's dispute settlement mechanism.

You may not use the New Motor Vehicle Arbitration Law if you have stopped making payments on any lease or financing agreement because of the vehicle's condition.

The New Hampshire Motor Vehicle Arbitration Program includes other eligibility requirements which you must meet to qualify.

Forms for electing to proceed before the New Hampshire Motor Vehicle Arbitration Board should be included with your new vehicle on delivery.

For information as to your rights under the New Motor Vehicle Arbitration Law or for additional forms, contact the **New Motor Vehicle Arbitration Board, 23 Hazen Drive, Concord, NH 03305, telephone (603) 227-4385, email at lemonlaw@nh.gov**, or your dealer.

Here is a summary of your rights:

1. To qualify for relief under the New Jersey Lemon Law, you must give the manufacturer or its dealer the opportunity to repair or correct the defect in the vehicle within the Lemon Law's term of protection, which is the first 24,000 miles of operation or two years after the vehicle's original date of delivery, whichever is earlier.
2. If the manufacturer or its dealer is unable to repair or correct a defect within a reasonable time, you may be entitled to return the vehicle and receive a full refund, minus a reasonable allowance for vehicle use.
3. It is presumed that the manufacturer or its dealer is unable to repair or correct the defect if substantially the same defect continues to exist after the manufacturer has received written notice of the defect by certified mail, return receipt requested, and has had a final opportunity to correct the defect or condition within 10 calendar days after receipt of the notice. This notice must be received by the manufacturer within the term of protection and may be given only after (i) the manufacturer or its dealer has had two or more attempts to correct the defect; (ii) the manufacturer or its dealer has had at least one attempt to correct the defect if the defect is one that is likely to cause death or serious bodily injury if the vehicle is driven; or (iii) the vehicle has been out of service for repair for a cumulative total of 20 or more calendar days, or in the case of a motor home, 45 or more days.
4. If substantially the same defect continues to exist after the manufacturer has had the final opportunity to repair or correct the defect, you may file an application for relief under New Jersey's Lemon Law.

NOTICE TO CONSUMERS STATE OF PENNSYLVANIA

TAB 6

If the new motor vehicle you have purchased does not conform to the manufacturer's express warranty, the Pennsylvania Automobile Lemon Law provides that the manufacturer may have to replace it or pay you a refund, at your option.

If you discover a defect that substantially impairs the use, value, or safety of this vehicle, contact the manufacturer or its authorized service and repair facility immediately.

Your Lemon Law rights only cover defects which occur within one year after delivery, 12,000 miles of use, or the term of the express warranty, whichever comes first.

The law states that it is reasonable for the dealer, manufacturer, or its agent to make up to three separate attempts to correct the same defect.

After three unsuccessful repair attempts, or after a total of thirty calendar days in which the vehicle is out of service for repair, you may be entitled to a comparable replacement vehicle or a refund of the purchase price less an allowance for your actual use.

The manufacturer or dealer must provide you with an itemized statement of all repair work performed when your vehicle is returned from service. Keep those records for future reference.

NOTICE TO CONSUMERS STATE OF VERMONT

TAB 6

The Vermont Lemon Law applies to new motor vehicles sold or leased (for two or more years) or registered in the State of Vermont. A new motor vehicle is defined a passenger vehicle or truck, with a gross vehicle weight of 12,000 pounds or less, still under the manufacturer's express warranty. 9 V.S.A Sections 4171 (6) and (9).

You may be entitled to apply for a comparable replacement vehicle or prorated refund if you discover a defect during the express warranty period that has not been successfully repaired after three repair attempts by an authorized dealer. The first repair must occur within the express warranty.

An alternative way of filing is if this vehicle has been out of service for repair for a cumulative total of thirty (30) calendar days within the express warranty. The vehicle is considered to be out of service if it is in control of an authorized dealer for the majority of each day.

A consumer may file a Demand with fewer than three unsuccessful repair attempts or fewer than thirty days out of service for a safety or other reason which meets the reasonable repair threshold.

Written repair orders or examination reports must be obtained to attain the presumption of reasonable repair.

You will explain at the hearing how the defect(s) or condition(s) substantially impairs any combination of the use, market value or safety of the vehicle as of the date of signing the Demand for Arbitration.

The Lemon Law may not be used if you elect to file a claim with the manufacturer's dispute settlement mechanism or if you have discontinued vehicle payments.

The New Motor Vehicle Arbitration program includes other eligibility criteria.

Forms to initiate the New Motor Vehicle Arbitration process should be included with your new vehicle upon delivery. They may also be obtained via LemonLaw.vermont.gov or by contacting:
