ODI Response – Extension Grant Memo for IR Letter RQ23007-01

This memo documents a February 15, 2024, request from Volkswagen (VW) for a partial extension of time to respond to the Office of Defects Investigation (ODI) Information Request Letter RQ23007-01 for RQ23-007 dated January 2, 2024. The original due date for the Information Request Letter was February 27, 2024.

On February 21, 2024, ODI granted VW's proposed four (4) week partial extension for responding to Information Request Letter RQ23007-01. VW will submit all IR Letter responses except for Request 10 by the original due date of February 27, 2024. VW will submit their response to Request 10 by March 29, 2024. VW will supply ODI a list of the documents that are responsive to Request 10 with the response submitted on February 27, 2024. ODI is granting this longer than normal extension period due to the vast amount of data and its required translation.
