

June 3, 2024

Andrew Brady
Office of Chief Counsel

REF; RQ24007-02

I Barry Hines, pursuant to the provisions of [49 CFR part 512](#), state as follows:

- (1) I am Barry Hines, Vice President of Engineering and I am authorized by Pratt Intermodal Chassis LLC (PIC) to execute this certificate on its behalf;
- (2) I certify that the information contained in 4867-6550-9666 v.1 {EXECUTED} NACPC – Pratt Intermodal – Asset Purchase Agreement is confidential and proprietary data, pursuant to Section 8.2 of the Agreement, and is being submitted with the claim that it is entitled to confidential treatment under [5 U.S.C. 552\(b\)\(4\)](#) (as incorporated by reference in and modified by the statute under which the information is being submitted);
- (3) I hereby request that the information contained in (INIM-RQ24007-12044 PIC Response) be protected for 5 years;
- (4) This certification is based on the information provided by the responsible PIC personnel who have authority in the normal course of business to release the information for which a claim of confidentiality has been made to ascertain whether such information has ever been released outside PIC;
- (5) Based upon that information, to the best of my knowledge, information and belief, the information for which PIC has claimed confidential treatment has never been released or become available outside PIC; (except as hereinafter specified);
- (6) I make no representations beyond those contained in this certificate and, in particular, I make no representations as to whether this information may become available outside PIC because of unauthorized or inadvertent disclosure (except as stated in paragraph 5); and
- (7) I certify under penalty of perjury that the foregoing is true and correct. Executed on this the 28th day of May, 2024. (If executed outside of the United States of America: I certify under penalty of perjury under the laws of the United States of America that the foregoing is true and correct).
(signature of official)

Barry R Hines
Vice President of Engineering
Pratt Intermodal Chassis, (PIC)
