Re: PE24-007; Partial Response

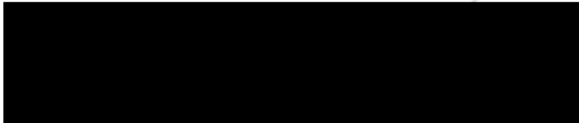

Dear Mr. York,

Enclosed is Nissan's partial response to the referenced NHTSA Information Request of May 21, 2024, concerning the Agency's investigation of reduced motive power in certain model year (MY) 2022-2024 Nissan Versa vehicles. By email dated July 1, 2024, NHTSA granted an extension of time through July 19, 2024, for Nissan to respond to certain requests that require additional analysis.

This partial response covers questions 1 through 8 of the Information Request.

The attached reply responds by first stating each question, then the response. Please contact us if you have any questions.

Sincerely,

Wilbert Swindell
