Thank you Bruce.

At this time, we believe that we will be able to send responses to: Q1,2,3,5,6,7,8,9,11,12

We would then potentially hold responses to: Q4,10,13.

If any of the three responses we are planning to send on the 8th are done by the 1st, we will send them.

Thank you

Good afternoon Bruce,
We would like to request an extension of 1 week on the Giulia Stall / LOMP investigation, PE24-003. due April 1. We would like to request a delay to April 8. We plan on sending what we have ready on April 1 but hold the balance until on, or before, April 8. With the Easter Holiday we want to ensure we have enough time to coordinate with the responsible engineering teams in Italy.

Thank you
