Subject: NUNA RAVA Defect Petition Opened

Dear Ms. Cochrane,

Good Afternoon, My name is Taylor Collins. I work for the National Highway Traffic Safety Administration (NHTSA) in the Office of Defects Investigation (ODI). I am emailing to let you know that your petition regarding the NUNA RAVA child seat was the second petition we received to open an investigation on the NUNA RAVA child seats.
At this time, we have opened a Defect Petition based off the first petition we received to assess whether or not to open an investigation on the NUNA RAVA child seats. Your petition request has been associated to the current Defect Petition.
The link to the Defect Petition on our public website is

Thank you very much for contacting NHTSA.
I hope you and your family stay safe and well.

Sincerely,

Taylor Collins
