The information provided within this AutoZone Fix Finder™ Report is intended to supplement, not replace, regular automotive maintenance programs or advice by a qualified automotive technician. Neither AutoZone nor any of its subsidiaries or affiliates assume any liability for the completeness or correctness of either the report or its content. Always seek the advice of your personal mechanic, dealership, or an ASE Certified automotive technician prior to attempting any repairs to your vehicle. The Check Engine Light may not immediately turn off after repair. To erase the Check Engine Light, simply use the erase feature on a capable scan tool or perform a repair verification drive cycle (refer to your vehicle's repair manual) after completion of the needed repairs. AutoZone retains the right to use the information contained in this AutoZone Fix Finder FM Report for its and its subsidiaries' and affiliates' business purposes. DISCLAIMER FOR CA STORES ONLY: This is a free service offered by AutoZone to our customers and there are no fees or charges associated with this service. As indicated in this report, during this service, the above listed diagnostic trouble codes ("DTCs") were retrieved. Based on the error codes retrieved, a "most likely solution" is indicated. Additionally, "Suggested Parts" are listed that may address any DTCs indicated. The customer is under no obligation to purchase any "suggested parts" from AutoZone, and in the event that the vehicle DTCs indicate a repair/service is recommended, AutoZone does not agree to perform this repair/service.
