Fisker NHTSA Response

PE24-010

Q10

The Subject Vehicles
All MY 2023 Fisker Ocean vehicles manufactured for sale or lease in the United States, including, but not limited to, the District of Columbia, and current U.S. territories and possessions.

The Subject Component
The door latch system, including its sub-systems and subsequently released components manufactured on all 4 doors of the subject vehicles.

The Alleged Defect
Failure to open the driver, front passenger, and/or rear door(s).

10. Describe all assessments, analyses, tests, test results, studies, surveys, simulations, investigations, inquiries, validations and/or evaluations (collectively, "actions") that relate to, or may relate to, the alleged defect in the subject vehicles that have been conducted, are being conducted, are planned, or are being planned by, or for, Fisker. For each such action, provide the following information:

a) Action title or identifier;
b) The actual or planned start date;
c) The actual or expected end date;
d) Brief summary of the subject and objective of the action;
e) Engineering group(s)/supplier(s) responsible for designing and for conducting the action; and
f) A brief summary of the findings and/or conclusions resulting from the action.

For each action identified, provide copies of all documents related to the action, regardless of whether the documents are in interim, draft, or final form. Organize the documents chronologically by action.
