Title:

2011-2019 F-Super Duty - 6.7L - Engine Mounted Fuel Filter Quick Connect Fitting

Text:

Some 2011-2019 F-Super Duty vehicles equipped with a 6.7L engine may come in for scheduled maintenance on the engine mounted fuel filter. When reconnecting a fuel line quick connect fitting back onto the engine mounted fuel filter housing, push the connector all the way onto the fuel filter connection port. For some vehicles, you may need to depress a retainer clip to lock the quick connect port into place. Once the fitting is latched fully onto the connection port, pull straight backward on the fuel line to verify it is fully latched onto the connection port. Do not bend the fuel line connection when pulling to verify it is connected. Refer to Workshop Manual sections 310-00 for details on quick connect fittings.

Vehicles:

2011-2016 F-Super Duty (P473) NA (FA)

2017-2019 F-Super Duty (P558) NA (FE)
