Glossary

Well Maintained - Regular Oil Changes

_____ a "Well Maintained - Regular Oil Change" vehicle as having a regular oil change history when all its recommended oil changes, based on the vehicle's maintenance schedule, have been reported to _____. _____ uses the manufacturer's schedule and assumes normal driving conditions. When an oil change schedule is not available, _____ may analyze reported service events to determine what is typical for the same make and model vehicle. Dealers and service shops may publish different recommended service schedules.

Owner

When the first owner(s) obtains a title from a _____ as proof of ownership.

or _____ Recall

The _____ Company provides _____ with Field Service Action and recall information regarding safety, compliance and emissions programs announced since _____ 0 for a specific vehicle. For complete information regarding programs or concerns about this vehicle, please contact a local _____ or _____.

Ownership History

_____ defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, _____ proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after _____ and titled solely in the US including _____. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: _____, _____, _____, _____, _____, _____ and _____. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a _____ report does not necessarily indicate a change in ownership. In _____, a registration and bill of sale are used as proof of ownership.
