Glossary

Owner

When the first owner(s) obtains a title from a ██████████ as proof of ownership.

or Recall

The ██████████ provides ██████████ Field Service Action and recall information regarding safety, compliance and emissions programs announced since 2000 for a specific vehicle. For complete information regarding programs or concerns about this vehicle, please contact a local ██████████ or ██████████ Dealer.

Ownership History

██████████ defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, ██████████ proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1990 and titled solely in the ██████████. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: ██████████, ██████████, ██████████, ██████████, ██████████, ██████████ and ██████████. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. ██████████ has a unique number. ██████████ or registration record on a ██████████ report does not necessarily indicate a change in ownership. In ██████████, a registration and bill of sale are used as proof of ownership.
