Glossary

Owner

When the first owner(s) obtains a title from a [REDACTED] as proof of ownership.

or Recall

The [REDACTED] Company provides [REDACTED] with Field Service Action and recall information regarding safety, compliance and emissions programs announced since [REDACTED] for a specific vehicle. For complete information regarding programs or concerns about this vehicle, please contact a local [REDACTED] or [REDACTED] Dealer.

Ownership History

[REDACTED] defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, [REDACTED] proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after [REDACTED] and titled solely in the US including [REDACTED]. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: [REDACTED], [REDACTED], [REDACTED], [REDACTED], [REDACTED] and [REDACTED]. Please consider this as you review a vehicle's estimated ownership history.

Service Campaign

Automobile manufacturers issue a service campaign to address product technical issues that may not be related to safety or emissions standards. These issues are typically customer satisfaction initiatives.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. [REDACTED] has a unique number. [REDACTED] or registration record on a [REDACTED] report does not necessarily indicate a change in ownership. In [REDACTED], a registration and bill of sale are used as proof of ownership.
