This vehicle's oil change history, as reported to ██████████, follows the manufacturer's recommendation. Track your service history for free at ██████████

Have Questions? Consumers, please visit our Help Center at ██████████. Dealers or Subscribers, please visit our Help Center at ██████████.

Glossary

Well Maintained - Regular Oil Changes

██████████ a "Well Maintained - Regular Oil Change" vehicle as having a regular oil change history when all its recommended oil changes, based on the vehicle's maintenance schedule, have been reported to ██████████. ██████████ uses the manufacturer's schedule and assumes normal driving conditions. When an oil change schedule is not available, ██████████ may analyze reported service events to determine what is typical for the same make and model vehicle. Dealers and service shops may publish different recommended service schedules.

Owner

When the first owner(s) obtains a title from a ██████████ as proof of ownership.

or ██████████ Recall

The ██████████ Company provides ██████████ Field Service Action and recall information regarding safety, compliance and emissions programs announced since 2000 for a specific vehicle. For complete information regarding programs or concerns about this vehicle, please contact a local ██████████ or ██████████ Dealer.

Ownership History

██████████ defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, ██████████ proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1990 and titled solely in the US including ██████████. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: ██████████, ██████████, ██████████, ██████████, ██████████, ██████████ and ██████████. Please consider this as you review a vehicle's estimated ownership history.

Service Campaign

Automobile manufacturers issue a service campaign to address product technical issues that may not be related to safety or emissions standards. These issues are typically customer satisfaction initiatives.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. [REDACTED] has a unique number. [REDACTED] or registration record on a [REDACTED] report does not necessarily indicate a change in ownership. In [REDACTED], a registration and bill of sale are used as proof of ownership.
