Ownership History

██████ defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, ██████ proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after ██████ and titled solely in the ██████ including ██████. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: ██████, ██████, ██████, ██████, ██████, ██████ and ██████. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. ██████ has a unique number. ██████ or registration record on a ██████ report does not necessarily indicate a change in ownership. In ██████, a registration and bill of sale are used as proof of ownership.
