Sheila,

Your final report is complete and has been uploaded into APDM. You can get to the report directly at [this link](#).

If you have questions regarding the final report, please contact Chad. Please note that all remaining test samples will be held for 30 days and then scrapped. If you would like to pick up remaining samples, then please contact Chad.

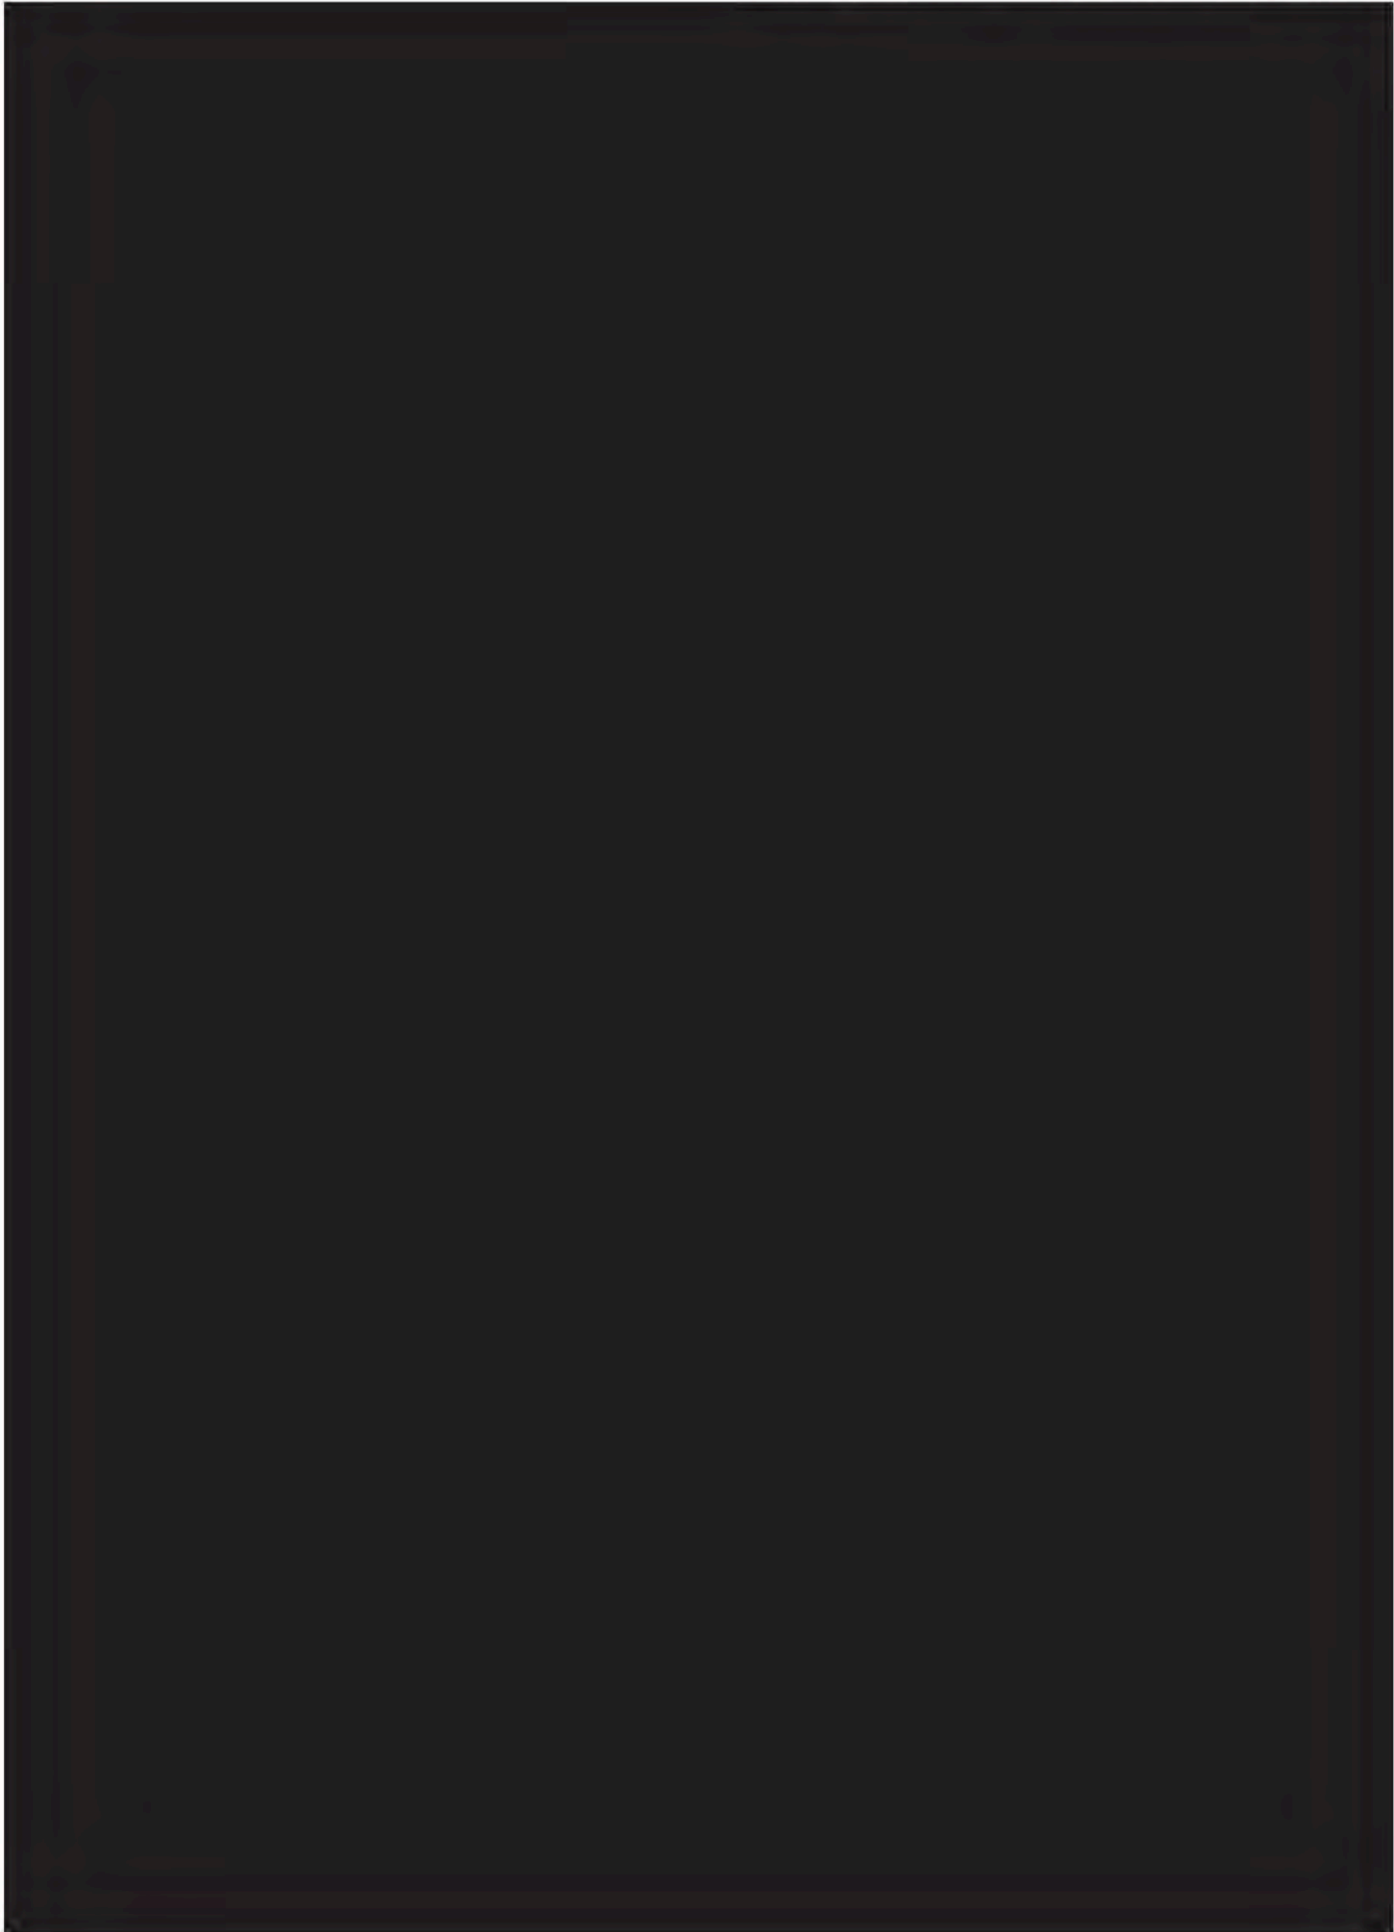

Thank you.

Hi Elyssa,

Further down the list is a scan and compare to CAD template, please use that one.

Will you be shipping the parts in or dropping them off?
