

Request 8:

State, by make and model year, the terms of the new vehicle warranty coverage offered by Thor on the subject vehicles (i.e., the number of months and mileage for which coverage is provided and the vehicle systems that are covered). Describe any extended warranty coverage option(s) that Thor offered for the subject vehicles and state by option, model, and model year, the number of vehicles that are covered under each such extended warranty.

Response:

All TMC motorhomes have a 12 month or 15,000 miles, whichever occurs first, warranty.

The only extended coverage offered is for the motor home's structure, which is limited to the sidewalls, floor, and roof.

See Appendix 1, page 9 for the warranty terms for model year 2016.

See Appendix 2, page 8 for the warranty terms for model year 2017.

See Appendix 3, page 8 for the warranty terms for model year 2022. The structural and lamination coverage information is on pages 10 & 11.

This information was gathered on October 10, 2024 from TMC's warranty guides for each specific model and model year.
