

Request 17:

17. State the number of each of the following that Thor has sold that may be used in the subject vehicles by component name, part number (both service and engineering/production), model and model year of the vehicle in which it is used and month/year of sale (including the cut-off date for sales, if applicable):

- a. Subject components; and
- b. Any kits that have been released, or developed, by Thor for use in service repairs to the subject component/assembly.

For each component part number, provide the supplier's name, address, and appropriate point of contact (name, title, and telephone number). Also identify by make, model and model year, any other vehicles of which Thor is aware that contain the identical component, whether installed in production or in service, and state the applicable dates of production or service usage.

Response:

- a. Subject components

Only two subject components are available for sale. The vendor part numbers of these components are 360231 & 360232.

Part 360231 is named, "Hitch, Lippert, 8000 lbs., Ford/Chevy/Fred Heavy Duty, Chassis, w/7-way plug."

Part 360232 is named, "Hitch, Lippert, 8000 lbs., Ford/Chevy/Fred Heavy Duty, Chassis."

See Appendix 1 for the data that is asked for concerning numbers sold by make and model year.

- b. Any kits that have been released, or developed, by TMC for use in service repairs to the subject component/assembly.

TMC does not have any repair kits for this hitch.

All components are manufactured by Lippert Components.
