

WARNING

Read and understand the instructions and safety warnings before using this product. Failure to follow the instructions may result in injury or property damage. This product is not intended for use on wet or icy surfaces. Use only on clean, dry concrete or asphalt surfaces. Do not use on painted or coated surfaces. Do not use on surfaces with loose material. Do not use on surfaces with sharp edges or protrusions. Do not use on surfaces with oil or grease. Do not use on surfaces with electrical wires or conduits. Do not use on surfaces with underground utilities. Do not use on surfaces with overhead power lines. Do not use on surfaces with traffic. Do not use on surfaces with pedestrians. Do not use on surfaces with vehicles. Do not use on surfaces with machinery. Do not use on surfaces with equipment. Do not use on surfaces with structures. Do not use on surfaces with objects. Do not use on surfaces with people. Do not use on surfaces with animals. Do not use on surfaces with plants. Do not use on surfaces with trees. Do not use on surfaces with rocks. Do not use on surfaces with debris. Do not use on surfaces with litter. Do not use on surfaces with trash. Do not use on surfaces with waste. Do not use on surfaces with sewage. Do not use on surfaces with water. Do not use on surfaces with snow. Do not use on surfaces with ice. Do not use on surfaces with frost. Do not use on surfaces with rain. Do not use on surfaces with wind. Do not use on surfaces with sun. Do not use on surfaces with heat. Do not use on surfaces with cold. Do not use on surfaces with humidity. Do not use on surfaces with dryness. Do not use on surfaces with moisture. Do not use on surfaces with dirt. Do not use on surfaces with dust. Do not use on surfaces with sand. Do not use on surfaces with gravel. Do not use on surfaces with stones. Do not use on surfaces with pebbles. Do not use on surfaces with shells. Do not use on surfaces with seeds. Do not use on surfaces with leaves. Do not use on surfaces with twigs. Do not use on surfaces with sticks. Do not use on surfaces with branches. Do not use on surfaces with trunks. Do not use on surfaces with roots. Do not use on surfaces with soil. Do not use on surfaces with mud. Do not use on surfaces with sludge. Do not use on surfaces with silt. Do not use on surfaces with clay. Do not use on surfaces with sandstone. Do not use on surfaces with limestone. Do not use on surfaces with granite. Do not use on surfaces with marble. Do not use on surfaces with quartz. Do not use on surfaces with obsidian. Do not use on surfaces with amethyst. Do not use on surfaces with emerald. Do not use on surfaces with ruby. Do not use on surfaces with sapphire. Do not use on surfaces with diamond. Do not use on surfaces with pearls. Do not use on surfaces with gemstones. Do not use on surfaces with jewelry. Do not use on surfaces with watches. Do not use on surfaces with clocks. Do not use on surfaces with calculators. Do not use on surfaces with computers. Do not use on surfaces with smartphones. Do not use on surfaces with tablets. Do not use on surfaces with laptops. Do not use on surfaces with desktops. Do not use on surfaces with servers. Do not use on surfaces with routers. Do not use on surfaces with modems. Do not use on surfaces with switches. Do not use on surfaces with outlets. Do not use on surfaces with plugs. Do not use on surfaces with cords. Do not use on surfaces with wires. Do not use on surfaces with cables. Do not use on surfaces with hoses. Do not use on surfaces with pipes. Do not use on surfaces with conduits. Do not use on surfaces with ducts. Do not use on surfaces with vents. Do not use on surfaces with fans. Do not use on surfaces with lights. Do not use on surfaces with speakers. Do not use on surfaces with microphones. Do not use on surfaces with cameras. Do not use on surfaces with sensors. Do not use on surfaces with actuators. Do not use on surfaces with relays. Do not use on surfaces with solenoids. Do not use on surfaces with valves. Do not use on surfaces with pumps. Do not use on surfaces with motors. Do not use on surfaces with generators. Do not use on surfaces with transformers. Do not use on surfaces with inverters. Do not use on surfaces with converters. Do not use on surfaces with controllers. Do not use on surfaces with relays. Do not use on surfaces with switches. Do not use on surfaces with outlets. Do not use on surfaces with plugs. Do not use on surfaces with cords. Do not use on surfaces with wires. Do not use on surfaces with cables. Do not use on surfaces with hoses. Do not use on surfaces with pipes. Do not use on surfaces with conduits. Do not use on surfaces with ducts. Do not use on surfaces with vents. Do not use on surfaces with fans. Do not use on surfaces with lights. Do not use on surfaces with speakers. Do not use on surfaces with microphones. Do not use on surfaces with cameras. Do not use on surfaces with sensors. Do not use on surfaces with actuators. Do not use on surfaces with relays. Do not use on surfaces with solenoids. Do not use on surfaces with valves. Do not use on surfaces with pumps. Do not use on surfaces with motors. Do not use on surfaces with generators. Do not use on surfaces with transformers. Do not use on surfaces with inverters. Do not use on surfaces with converters. Do not use on surfaces with controllers.
