

FORD MOTOR COMPANY (FORD) RESPONSE TO PE24-030 Part 2

Request 1

Provide a list of all camera systems available, by name and description, in the subject and peer vehicles.

For vehicle populations where multiple systems are available, please indicate which trim levels or other purchase options dictate the equipped system.

Answer

The response to the available camera systems by name and description for each subject and peer vehicle is listed in the file titled, 'PE24-030 Part 2_Request 1 Response_Camera System Options.xlsx'

The file lists information for each subject component including name, description, and part number for each vehicle make, model and trim level for the subject and peer vehicles.
