Re: **CALIFORNIA FAIR PLAN ASSOCIATION vs. FCA US LLC; POWAY
CHRYSLER JEEP DODGE RAM; AMAZON.COM SERVICES LLC**

Our Client: California Fair Plan Association

California FAIR Plan Claim No.: [REDACTED]

Date of Loss: [REDACTED]

Our File No.: [REDACTED]

To All Parties:

Please be advised that the undersigned and this office represent California Fair Plan Association in the recovery of payments on behalf of its insured, [REDACTED] in the above-referenced matter. Our investigation indicates that the named parties above may be responsible for this fire loss.

FACTS

This subrogation case arises from a fire that occurred on or about [REDACTED] at the property owned by California Fair Plan's insured and located at [REDACTED] Jamul, California [REDACTED]. The fire was determined by California FAIR Plan's origin and cause expert to have originated within the interior passenger compartment, specifically nearest the driver's side rear quarter panel associated with the 2017 Chrysler Pacifica Hybrid. All fire movement, fire intensity patterns, along with corresponding witness statements revealed the fire's specific area nearest the driver's rear interior panel.

A limited examination of the vehicle was conducted, which revealed heavy fire damage encompassing the driver's side rear quarter panel and low voltage 12V battery. This fire's exact cause remains undetermined pending a communal site inspection. Upon a complete vehicle inspection, a more discernible cause will be identified. It should be noted that the subject vehicle had been charging at the time the fire occurred. The Electric Vehicle Charger was purchased through Amazon and the purchase receipt is enclosed. All other ignition sources including hot surface ignition and incendiary fire were subsequently eliminated as having been a contributing factor to the causation of this fire loss.

We would like to schedule a communal inspection at the loss property so that any potential responsible parties have the opportunity to view and photograph the scene before repairs begin and to take possession of all relevant evidence for later examination. We are requesting all potential responsible third parties to please put your insurance carriers and experts on notice of this communal inspection.

Only one communal inspection will take place and will be held within the next 2-3 weeks. Available dates for the inspection are as follows:

Monday, March 29, 2021
Wednesday, March 31, 2021
Thursday, April 1, 2021
Friday, April 2, 2021
Tuesday, April 13, 2021

The address where the communal inspection will take place is:

[REDACTED]
Jamul, CA [REDACTED]

Please respond by Friday, March 26, 2021 so that this inspection can be scheduled. If we receive no response, we will set a date that is most convenient for California FAIR Plan's experts and counsel.
