## CONFIGURATION REPORT

**Vehicle** 2022 JEEP WRANGLER 2.0L I4 DOHC DI TURBO PHEV ENGINE  
**VIN** [REDACTED]

**Odometer** 362.2 miles  
**Publication Date** Feb 2, 2022, 2:37:06 PM

## ECU SUMMARY INFO

| ECU   | NAME                               | BUS TYPE | FLASH PART # | CURRENT VIN | ORIGINAL VIN | PART #     |
|-------|------------------------------------|----------|--------------|-------------|--------------|------------|
| TCM   | Transmission Control Module        | CAN-C    | 68563824AB   | [REDACTED]  | [REDACTED]   | 68563824AB |

## CONFIGURATION

### TCM CONFIGURATION

| NAME                                                                           | VALUE | UNITS |
|--------------------------------------------------------------------------------|-------|-------|
| ERS/Autostick/Tip Non-paddle on Shifter in D position equipped                 | False |       |
| 4WD with switchable Lo Range equipped                                          | False |       |
| FWD Equipped                                                                   | False |       |
| Short Learn Enabled                                                            | False |       |
| ERS/Autostick/Tip Non-paddle on Shifter in A or M position equipped            | False |       |
| ERS/Autostick/Tip Non-paddle on Steering Wheel equipped                        | True  |       |
| Shifter with Sport Mode Position Equipped                                      | False |       |
| Overdrive Off or Tow Haul Mode Switch or Virtual Switch (Non-Terrain) Equipped | False |       |

|                                                                  |       |  |
|------------------------------------------------------------------|-------|--|
| ECO/Optimizer Switch Equipped                                    | False |  |
| Engine Start/Stop equipped                                       | False |  |
| Sport Mode Switch or Virtual Switch (Non-Terrain) Equipped       | False |  |
| Shifter with Low Mode Position Equipped                          | False |  |
| Autostick/ERS On/Off Switch Equipped                             | False |  |
| Paddle-Shift Switches Equipped                                   | False |  |
| RWD Equipped                                                     | False |  |
| Long Learn Enabled                                               | False |  |
| AWD Equipped                                                     | False |  |
| Polystable E-shift (Cableless without return-to-center) equipped | False |  |

## PCM CONFIGURATION

| NAME                                             | VALUE | UNITS |
|--------------------------------------------------|-------|-------|
| Secondary Mass Airflow Sensor Equipped           | False |       |
| Active Exhaust Pressure Sensor Equipped          | False |       |
| Active Exhaust Valve(s) Equipped                 | False |       |
| Electronic Parking Brake Equipped                | False |       |
| Wastegate HBridge Equipped                       | True  |       |
| Heater Temp Control Valve Equipped               | False |       |
| High Side Port Tumble Valve Equipped             | False |       |
| Mechanical Coolant Pump Equipped                 | False |       |
| Aux Coolant Pump Heater Equipped                 | False |       |
| Mass Airflow System Equipped                     | False |       |
| Throttle Inlet Temp Sensor Equipped              | True  |       |
| Dual Fuel Pressure Sensor Equipped               | False |       |
| SWAP HARDWIRED BRAKE SWITCH INPUTS               | True  |       |
| CUSW 4-Button Cruise Equipped                    | False |       |
| INTAKE O2 SENSOR EQUIPPED                        | False |       |
| Clutch Sensor Equipped                           | False |       |
| Make Up Air Sensor Equipped                      | True  |       |
| 5 Button Cruise (LIN) Equipped                   | True  |       |
| Cylinder Pressure Sensor Equipped                | False |       |
| Brake Pedal Sensor Equipped                      | True  |       |
| Operator Idle Speed Request Equipped             | False |       |
| Bi-Directional Crank Sensor Equipped             | True  |       |
| Power Steering Angle Sensor Mandatory            | False |       |
| LIN Humidity, Temp, and Pressure Sensor Equipped | False |       |
| VLP Equipped Indicator                           | False |       |
| 66RFE / 68RFE                                    | False |       |
| Police Package Equipped                          | False |       |
| MDS Equipped                                     | False |       |
| 4 Button Integrated Cruise Control               | False |       |
| Knock Sensor 2 Equipped                          | True  |       |
| 2 Speed Fan 3 Driver 3 Relay System Equipped     | False |       |

|                                                |                              |  |
|------------------------------------------------|------------------------------|--|
| Viscosity Sensor Equipped                      | False                        |  |
| Variable Speed Fuel Pump Equipped              | True                         |  |
| CUSW (29-Bit) Equipped                         | False                        |  |
| Trans Skip Shift Equipped                      | False                        |  |
| Knock Sensor 1 Equipped                        | True                         |  |
| Wide Range O2 Sensor 1/1 Equipped              | True                         |  |
| 3.5 Liter V6 Engine                            | False                        |  |
| Adaptive Cruise Control Hardware Equipped      | False                        |  |
| ETC Cruise equipped                            | True                         |  |
| Cooled EGR Equipped                            | True                         |  |
| VLP Is Learnable Indicator                     | False                        |  |
| O2 Sensor Bank 1 Sensor 2 Equipped             | True                         |  |
| 3.3 Liter V6 Engine                            | False                        |  |
| 4.7 Liter V8 Engine                            | False                        |  |
| Sensorless FFV Enabled                         | False                        |  |
| Active Engine Mount Equipped                   | False                        |  |
| Electric Thermostat Heater Equipped            | False                        |  |
| Exhaust Cam 1 Equipped                         | True                         |  |
| 4.0 Liter I6 Engine                            | False                        |  |
| 1.8 Liter W14 engine                           | False                        |  |
| 45RFE / 545RFE / 65RFE                         | False                        |  |
