Safety Recall 24S24

NEW VEHICLE DEMONSTRATION / DELIVERY HOLD:

Certain 2021-2024 Model Year Bronco Sport and 2022-2023 Model Year Maverick Vehicles - Body Control Module and Powertrain Control Module Calibration Updates

FSA Originating Hub: North America

NOTE: RECALL OVERLAP CLOSURE INFORMATION - Safety recall 24S24 includes the BCM software required for completing recalls 24S27 and 23C41. Therefore, if either 24S27 or 23C41 are open on the same VIN as 24S24, they will be automatically closed when 24S24 is submitted for claim payment. Do not submit overlapping repair claims for the BCM update.
