Subject: RE: 24S24 Missing Certification -- Plan and Timing

The missing software update has been resolved with the work done yesterday to certify the calibrations and roll the file to GIVIS overnight. This issue is resolved.

Subject: 24S24 Missing Certification -- Plan and Timing

When: Thursday, May 23, 2024 3:30 PM-4:00 PM (UTC-05:00) Eastern Time (US & Canada).

Where:

Hi Team,

Setting up a recurring meeting. At least one of the certifications for the calibrations in 24S24 was missed resulting in a population of VINs not being able to receive the update. Setting up some time to review the issue and plan to resolve it as well as the potential FSA pause.
