Answer

Ford records indicate that the number of 2019-2020 model year (MY) Ford Expedition vehicles excluded from Recall 24V-099 ("Subject vehicles") sold or leased in the United States (the 50 states and the District of Columbia), protectorates, and federalized territories (American Samoa, Guam, Northern Mariana Islands, Puerto Rico, and Virgin Islands) is 113,801.

The subject component in 2019-2020 MY Ford Expedition is substantially similar for 2018 through 2024 MY Ford Expedition and Lincoln Navigator production. Therefore, peer vehicles for this inquiry include 2018 and 2021-2024 MY Ford Expedition and 2018-2024 MY Lincoln Navigator vehicles excluded from Recall 24V-099.

Ford records indicate that the number of peer vehicles sold or leased in the United States (the 50 states and the District of Columbia), protectorates, and federalized territories (American Samoa, Guam, Northern Mariana Islands, Puerto Rico, and Virgin Islands) is 434,732.
