

Memo Granting IR Response Extension Request for PE24033-01

Mar 21, 2025

This memo documents a Mar 20, 2025, request from Tesla, Inc. for a partial extension of time to respond to the Office of Defects Investigation (ODI) Information Request Letter PE24033-01 for PE24033 dated Jan 16, 2025. The original due date for Tesla, Inc.'s response to Information Request Letter PE24033-01 was Feb 28, 2025.

On Mar 21, 2025, ODI granted Tesla, Inc.'s proposed partial extension for responding to Information Request Letter PE24033-01. Tesla, Inc. will submit its responses as outlined in the table below. For any IR Question response not included in the table below, Tesla, Inc. will submit its response by the Feb 28, 2025 as specified in Information Request Letter PE24033-01.

Date Mfr Request Submitted to ODI	IR Question #	Extension Date Requested	Extension Date Granted	Justification
Mar 20, 2025	Q7	Apr 25, 2025	Apr 25, 2025	As discussed, the extremely broad scope of this request would result in a voluminous production that Tesla expects would require an additional 8 weeks beyond the agreed March 28, 2025, extension date to compile. Tesla believes a great deal of the information that it would produce in response to Question 7 as worded would represent work and activity that did not make it into the released product and as a result would not be helpful in the Preliminary Evaluation. Tesla requests limiting the scope of Question
